08/10/2021	Court Judgment (Judicial Officer: Murphy, M. Michaela) Judgment Ordered: 08/10/2021 Comment: DECISION AND ORDER. (14 M.R.S.A. 5953 & M.R. Civ. P. 80C) . As to the Declaratory Judgment claim in Count I, the Court grants Plaintiffs' Motion for Judgment, and has issued a declaration on the rights and obligations of the parties above, for the reasons stated. The Court denies Director Cutko and BPL's Motion to Dismiss Count I and CMP's Motion for Judgment on Count I. As to Count II's claim for Injunctive Relief, the Court finds that this form of relief was not pursued in the merits briefing or oral argument and is therefore waived. As to Plaintiffs' Appeal of Final Agency Action in Count III, the Court finds no competent evidence to support BPL's claim that it made the constitutionally-required finding of no "reduction" and/or no "substantial alteration" before it entered into the 2020 lease with CMP. Director Cutko therefore exceeded his authority, and his decision is therefore reversed. This Decision and Order may be noted This Decision and Order may be noted on the docket by reference pursuant to Rule 79(a) of the Maine Rules of Civil Procedure.
