HAND DELIVERED

Clerk of the Law Court

Re: *Russell Black, et al. v. Bureau of Parks and Lands, et al.*
Docket No. BCD-21-257

Dear Mr. Pollack:

I write concerning Director Cutko's and the Bureau of Parks and Lands' Motion to Allow a Second Volume of the Appendix, dated November 4, 2021. That motion reflected agreement among the parties concerning Appellants' request to file a second volume of the appendix that includes, among other things, 30 pages of discretionary contents designated by both Appellants. The motion did not reflect agreement among the parties concerning the number of discretionary pages to be submitted by Appellees.

The parties have conferred further and I have been authorized to inform you on behalf of all parties that the parties have agreed that the total discretionary contents of the appendix submitted by all parties will not exceed 100 single-sided pages (50 double-sided pieces of paper). The parties have discussed and agreed on how they plan to allocate those pages between them.

Accordingly, the parties respectfully request the Court authorize the parties to file a two volume appendix, with the second volume containing (a) additional mandatory contents of that exceed the page limit on volume one imposed by Rule 8, and (b) discretionary contents not to exceed 100 single-sided pages (50 double-sided pieces of paper).
