

STATE OF MAINE

SUPREME JUDICIAL COURT
Sitting as the Law Court
Docket No. BCD-21-257

Russel Black et al.

v.

**ORDER PERMITTING SECOND
VOLUME OF APPENDIX**

Bureau of Parks and Lands et al.

The Bureau of Parks and Lands has moved for leave to file a second volume of the appendix and to limit the number of pages that the parties may designate as discretionary documents in the appendix to sixty (thirty sheets of paper printed on both sides). Central Maine Power Company and NECEC Transmission LLC consent to the motion. The motion indicates that Russel Black et al. consent to the filing of a second volume of the appendix but object to the limitation on the number of pages of discretionary documents that they may designate.

The day after the Bureau's motion, counsel for Central Maine Power Company and NECEC Transmission LLC filed a letter representing that all parties had authorized him to report to the Court that they had agreed to increase the number of discretionary pages to 100 (50 sheets of paper printed on both sides). The letter indicated that the parties had agreed "on how they plan to allocate those pages between them."

The motion, as effectively amended by the letter and the parties' agreement, is GRANTED. The appellants may file a second volume of the appendix. The appendix may contain no more than 100 pages (50 sheets of paper printed on both sides) of discretionary documents.
