RE: Discharge from Specialized PSB treatment

Mr. Cutler:

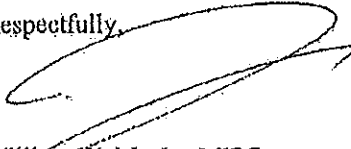

This letter is to inform you that you have been discharged from Specialized Problematic Sexual Behavior Treatment effective this date for failure to participate in treatment by refusing to sign the required PSB Treatment Contract.

At the start of the session, I explained to you that I would be preparing the PSB Treatment Contract that is required of all participants in the PSB Treatment Program. When I presented you with the document, I explained that you were required to read each of the conditions contained in the document and to initial that you had read and understand the condition and then sign the Contract and that I would provide you with a copy of the contract once you had signed. I pointed out several of the conditions including the condition regarding Internet access.

I explained that once I had a copy of your updated probation conditions, we would write a safety plan outlining your permitted uses of the Internet as permitted by the Court. At that time, you stated that you would not sign anything that was more restrictive than the Court conditions. I explained to you that treatment conditions can vary from Court conditions, but that the safety plan would follow the Court and Probation Conditions in order to assist you in successfully meeting and adhering to your probation and treatment conditions. At that point, you again stated that you were refusing to sign the PSB Treatment Contract.

As the PSB Treatment Contract is a requirement of participation in treatment, you have been discharged for failure to sign the required treatment document.

Respectfully,

William Walsh, Jr., LCPC

SUPERVISION PLAN AND RECOMMENDATIONS

Supervision History: Supervision History:

This is Mr. Cutlers 6th violation of his probation conditions in a relatively short timeframe all of which are due to his inability to refrain from pornography and participate in court ordered PSB treatment.

This violation is due to the fact that he was discharged from PSB per his court ordered conditions.

Supervision Plan/Recommendations:

This is another example of Mr. Cutler demonstrating that he has no intent of following his ordered conditions.

It is obvious that he does not intend on following his probation conditions or rules set forth by the court. Therefore probation will not be a benefit.

I recommend a full revocation of approximately 39 months for the protection of the community.

Please find attached a Motion for Revocation of Probation signed by the prosecutor relating to Probationer Eliot Raphael Cutler, who is currently on probation pursuant to sentence from HANCOCK CRIMINAL DOCKET Court, Docket #HANCD-CR-2022-00241. By law, the probationer's initial appearance/probable cause hearing is required to occur as near as reasonably possible to Bangor, Maine, where the alleged violation of probation occurred and within 5 days of the probationer's arrest, excluding Saturdays, Sundays, and holidays. (If the probationer was sentenced in a different court, please find attached a courtesy copy of the Judgment and Commitment, including the probation conditions.)

The Probationer:

Is in the Penobscot County Jail. The probation hold went into effect on June 11, 2026. The initial appearance/probable cause hearing must be held no later than June 18, 2026, in order to comply with 17-A MRSA §1205. I would respectfully request that bail be set at No Bail.

Is in the _____ County Jail. The probationer has not posted bail on new criminal charges. Please schedule the initial appearance/probable cause hearing within 5 days, excluding Saturdays, Sundays, and holidays.

Was arrested on a Probation Warrant on (date arrested) and is in the _____ County Jail. The initial appearance/probable cause hearing must be held no later than (date), in order to comply with 17-A MRSA §1205. (The motion for probation revocation and probable cause affidavit are already on file.)

(Check only if applicable.) Due to the location of the alleged violation, the initial appearance/probable cause hearing must take place in _____ court, rather than the sentencing court. Please find attached a courtesy copy of the warrant request and the motion for probation revocation and probable cause affidavit, which were filed in the sentencing court at the time of the warrant request, along with the J & C and probation conditions.

Whereabouts are unknown. A request for a warrant is attached, and I would ask that bail be set at "no bail."

Has been summonsed for the following date (date of court appearance). (No probable cause affidavit is attached as none is required.)

Thank you for your assistance in this matter. Please contact me with any question that may arise.
