ELIOT CUTLER)

**ORDER ON DEFENDANT'S
MOTION TO AMEND BAIL**

On Defendant's Motion to Amend Bail, Defendant's Motion is GRANTED as follows:

The condition that Defendant is "not to possess any device that is able to connect to internet" is amended such that Defendant is not to possess any device that is able to connect to the internet, except for one laptop computer and one phone. Both the laptop and the phone shall be identified by serial number and be monitored by RANCTC consistent with the contract provided to the Court, and with the understanding that RANCTC will provide alerts and immediate notification of activities related to child pornography to the State and counsel for Defendant, as well as the understanding that weekly reports of any suspicious computer activity not otherwise provided in any alerts and immediate notifications.
