 M. Bar R. 23**

By an Information of February 16, 2018, pursuant to M. Bar R. 23 the Board of Overseers of the Bar's Bar Counsel has requested the interim suspension of former (now administratively suspended) attorney Matthew J. Miller. Mr. Miller was provided an opportunity to respond to the Board's filing and the Court has considered the record as thus far submitted by the parties.

As a result, based upon his plea of guilty and resulting federal conviction and judgment imposed upon him on December 19, 2017 for the serious crime of Accessing with Intent to View Child Pornography, an Order of Interim Suspension from the practice of law in Maine is now imposed upon Matthew J. Miller, effective immediately.
