II. MAINE BAR ADMINISTRATIVE RULES

RULE 4. REGISTRATION

(a) Requirement. Every lawyer admitted to active practice in Maine shall pay to the Board an annual registration fee for each fiscal year beginning July 1st. The annual registration fee, established by the Court on recommendation of the Board, shall be used to defray the costs of the Board

and of other components of the system of lawyer regulation under other rules established by the Court, and for those other purposes the Court shall from time to time designate.

Additionally, in accordance with the Rules for the Maine Assistance Program for Lawyers Rule 1(C)(1) and the Maine Rules for the Lawyers' Fund for Client Protection Rule 3(a), every lawyer admitted to active practice and full-time and active retired judges required to register in accordance with these Rules shall pay assessments in support of the mission of these entities. The assessments shall be established by the Court.

Every lawyer admitted to active practice in Maine shall provide as part of the annual registration process required by Rule 4(b) an active, current email address for electronic service that will be used by other parties and the courts for electronic service of documents, notices, and any other records through any electronic court systems implemented by the Maine Judicial Branch and shall notify the Board immediately of any change in that address.

(b) Registration. To facilitate the collection of the annual registration fee provided for in Rule 4(a), commencing July 1st each year, every lawyer admitted to practice in Maine is required to complete, certify and file registration documents, which shall be on forms prescribed by the Board. Each lawyer shall file with the Board a supplemental statement of any change in the information previously submitted within 30 days of the change. Registration documents and payments received after August 31st will be assessed a non-waivable late fee.

All persons first becoming subject to these Rules by admission to practice in Maine after April 1st shall file the registration documents required by this rule at the time of admission, but no annual registration fee shall be payable until the next annual registration collection. Failure to register shall result in the issuance of a notice of administrative suspension pursuant to Rule 4(h).

Unless otherwise exempted, each lawyer admitted to the active practice of law shall annually file the following:

(1) *Registration Statement.* Each lawyer admitted to the active practice of law in Maine shall file a registration statement with the Board setting forth

the information stated in Rule 1(g) and such other information as the Court or the Board may direct.

(2) *IOLTA Trust Account Report.* See Rule 6(b).

(3) *Insurance Disclosure.* Each lawyer admitted to the active practice of law in Maine shall annually certify to the Board (A) whether the lawyer is engaged in the private practice of law; (B) if engaged in the private practice of law, whether the lawyer is currently covered by professional liability insurance; (C) whether the lawyer intends to maintain insurance during the period of time the lawyer is engaged in the private practice of law; and (D) whether the lawyer is exempt from the provisions of this rule because the lawyer is engaged in the practice of law as a full-time government lawyer or is employed by an organization in a capacity in which the lawyer does not represent clients other than the employing organization. Each lawyer admitted to the active practice of law in Maine who reports being covered by professional liability insurance shall notify the Board in writing if the insurance policy providing coverage lapses, is no longer in effect, or terminates for any reason. Notice must be delivered to the Board within 30 days of the lapse, cancellation, or termination, unless the policy is renewed or replaced without substantial interruption. The information submitted pursuant to this rule shall be made available to the public by such means as designated by the Board.

(c) Exemptions.

(1) *Registration.* Full-time and active retired judges who are members of the Maine or federal judiciary shall be exempt from the payment of the annual registration fee during the time they serve in office. Judges shall remain on the roll of lawyers in judicial status, and may retire in judicial status or resume active practice upon completion of their tenure in office, by filing registration documents and paying the annual registration fee required for the year in which active practice is resumed. Additionally, lawyers who have notified the Board that they are (a) members of the armed forces of the United States who are on active duty outside of Maine, or (b) judicial law clerks, or (c) emeritus attorneys, shall be exempt from the payment of the annual registration fee. Judicial law clerks and emeritus attorneys shall remain on the roll of lawyers during the tenure of their service and annually file registration documents.

(2) *IOLTA Accounts.* See Rule 6(a)(2).

(d) Receipt Demonstrating Compliance with Registration Filing. Within 30 days of the receipt of a lawyer's completed registration documents and payment of all fees, the Board shall acknowledge compliance with the annual registration requirements.

(e) Application for Transfer to Inactive Status. Any lawyer, not under an administrative suspension or the subject of a disciplinary investigation or proceeding under these Rules, who has retired or is not engaged in practice shall advise the Board in writing of the lawyer's desire to assume inactive status and discontinue the practice of law. Upon the filing of the notice, the lawyer shall no longer be eligible to practice law in Maine. The Board shall remove a lawyer on inactive status from the list of classified active lawyers until and unless the lawyer requests and is granted reinstatement to the active rolls. The lawyer shall also comply with the provisions of Rule 4(k).

(f) Application for Emeritus Status.

(1) *Purpose.* The purpose of enacting emeritus status is to encourage and provide retiring attorneys or non-practicing attorneys who have chosen other career paths, who otherwise may choose inactive status, the opportunity to provide *pro bono publico* legal services under the auspices of an Approved Legal Service Organization.

(2) *Application.* Any lawyer who has discontinued the practice of law and who has given the notice required by Rule 4(e) but who wishes to provide *pro bono publico* legal services without compensation or expectation of compensation shall advise the Board by filing an emeritus status statement indicating he or she will limit his or her active legal practice to providing *pro bono publico* legal services under the auspices of an Approved Legal Service Organization, as defined in these Rules. The emeritus status statement shall be signed by an authorized representative of the Approved Legal Service Organization under whose auspices the lawyer will provide such legal services. A lawyer who has assumed emeritus status shall not be relieved of his or her obligation to comply with annual registration requirements.

(g) Administrative Suspension.

(1) An administrative suspension shall not be considered a *per se* violation of the Maine Rules of Professional Conduct and shall not constitute the imposition of discipline. The Board may, however, institute separate proceedings to determine whether discipline is appropriate.

(2) *Failure to file Registration Documents.* Unless excused on grounds of financial hardship or for other good cause pursuant to procedures established by the Board, any lawyer who fails to submit completed registration documents under the provisions of Rule 4(b) or pay the annual registration fee by August 31st shall be suspended provided notice is given under the provisions in Rule 4(h). The suspended attorney shall comply with the provisions of Rule 4(k).

(3) *Failure to File State Tax Returns.* Whenever, pursuant to Section 175 of Title 36 of the Maine Revised Statutes, the State Tax Assessor notifies the Board of the Assessor's final determination to prevent renewal or reissuance of a "license or certificate of authority" for a lawyer to practice law, the lawyer shall be immediately suspended provided notice is given under the provisions in Rule 4(h). The suspended lawyer shall comply with the provisions of Rule 4(k).

(4) *Failure to Comply with a Support Order.* Whenever, pursuant to Section 2201 of Title 19-A of the Maine Revised Statutes, the Department of Health and Human Services certifies in writing to the Board that, in compliance with the statutory procedure, the Department has determined that a lawyer is in noncompliance with a support order; the lawyer has failed to appeal the Department's decision; or a final judgment has been entered against the lawyer on the lawyer's petition for judicial review, the lawyer shall be immediately suspended provided notice is given under the provisions in Rule 4(h). The suspended lawyer shall comply with the provisions of Rule 4(k).

(5) *Failure to File an Unemployment Tax Return or to Pay an Unemployment Tax Assessment.* Whenever, pursuant to Section 1232 of Title 26 of the Maine Revised Statutes, the State Commissioner of Labor or Director of Employment Security certifies in writing to the Board that the Commission has determined in compliance with the statutory procedure that a lawyer is in noncompliance with the unemployment compensation statute, and the lawyer has either failed to pursue an appeal from the Commission's decision or a judgment has been entered against the lawyer on the lawyer's petition for

judicial review, the lawyer shall be immediately suspended provided notice is given under the provisions of Rule 4(h). The suspended lawyer shall comply with the provisions of Rule 4(k).

(h) Notice of Administrative Suspension. The Board shall provide notice of any administrative suspensions to the suspended attorney in accordance with the requirements of Rule 15. This notice of suspension shall not be effective until 30 days after the date of mailing. A lawyer who, after the date of the mailing of a notice of suspension but before the effective date of the suspension, files with the Board (1) registration documents and the required registration fee or (2) a certificate issued by the State agency pursuant to Rule 4(g)(2), (3), and (4) stating that the attorney is currently in good standing and has satisfied any obligations and paid all fees due, shall be deemed to be in compliance with this rule and shall not be suspended for failure to comply with the obligations that led to the notice of suspension.

(i) Reinstatement from Administrative Suspension. Any lawyer suspended under Rule 4(g)(2) shall be reinstated by administrative order if, within five years of the effective date of the suspension for nonpayment, the lawyer remits to the Board a reinstatement fee, submits all required registration documents, and makes payment of all arrears.

If an attorney is administratively suspended pursuant to Rule 4(g)(3), (4), or (5), that attorney must also submit a certificate issued by the appropriate state agency stating that the attorney is currently in good standing and has satisfied any obligations and paid any sums due.

A lawyer who has been administratively suspended must complete the continuing legal education requirements of Rule 5 for each year the attorney has been suspended, but need not complete more than 24 credit hours for that entire period of suspension, provided that (1) no more than one half of the credits are earned through self-study; (2) at least two credit hours are primarily concerned with the issues of ethics or professionalism; and (3) at least two credit hours are primarily concerned with issues of recognition and avoidance of harassment and discriminatory communication or conduct related to the practice of law. Additionally, a lawyer who has been suspended within the previous five years for noncompliance with the continuing legal education requirements of Rule 5 shall be assessed an additional reinstatement fee, as may be set by the Board.

Any lawyer who fails to seek reinstatement within five years of the effective date of the administrative suspension shall be required to petition for reinstatement under Rule 29.

(j) Reinstatement from Inactive Status. Any lawyer on inactive status under Rule 4(e) shall be reinstated by administrative order of the Board if the lawyer seeks reinstatement within five years of the effective date of transfer to inactive status. Any lawyer who fails to seek reinstatement within five years of the effective date of transfer to inactive status may, in the discretion of the Court, be required to petition for reinstatement under Rule 29. In addition to all other requirements, an inactive lawyer seeking reinstatement shall remit to the Board a reinstatement fee and an arrearage registration payment equal to the total registration fees that the lawyer would have been obligated to pay the Board had the lawyer remained actively registered to practice in Maine during that period of inactive status, but no more than \$1,000.

(k) Notice to Clients, Adverse Parties, and Other Counsel.

(1) A lawyer who transfers to inactive status or who has been administratively suspended shall

(A) notify all clients being represented in pending matters;

(B) notify any co-counsel in pending matters; and

(2) *Special Notice.* The Board may direct the issuance of notice to such financial institutions or others as may be necessary to protect the interests of clients or other members of the public.

(3) *Duty to Maintain Records.* The attorney shall keep and maintain records of the steps taken to accomplish the requirements of Rule 4(k)(1)(A) to (C), and shall make those records available to the Board on request.

(4) *Return of Client Property.* The attorney shall deliver to all clients being represented in pending matters any papers or other property to which they are entitled and shall notify them and any counsel representing them of a suitable time and place where the papers and other property may be obtained, calling attention to any urgency for obtaining the papers or other property.

(5) *Refund of Fees.* Within 10 days after entry of the order imposing disbarment or suspension, the attorney shall refund any part of any fees paid in advance that have not been earned.

(6) *Withdrawal from Representation.* In the event the client does not obtain another lawyer before the effective date of the administrative suspension, it shall be the responsibility of the attorney to move in the court, agency, or tribunal in which the proceeding is pending for leave to withdraw. The attorney shall in that event file with the court, agency, or tribunal before which the litigation is pending a copy of the notice to opposing counsel or adverse parties.

(7) *New Representation Prohibited.* Upon the effective date of the administrative suspension, the attorney shall not undertake any new legal matters. The attorney shall take such action as is necessary to cause the removal of any indicia of lawyer, counselor at law, or similar title.

(8) *Affidavit Filed with the Board.* Within 10 days after the effective date of the suspension order, the attorney shall file with the Board Clerk an affidavit showing

(A) compliance with the provisions of this rule;

Every lawyer admitted to practice in Maine shall deposit all funds held in trust in this jurisdiction in accordance with Rule 1.15 of the Maine Rules of Professional Conduct in accounts clearly identified as IOLTA accounts in eligible institutions and shall take all steps necessary to inform the depository institution of the purpose and identity of the accounts. Funds held in trust include funds held in any fiduciary capacity in connection with a representation, whether as trustee, agent, guardian, executor, or otherwise.

(b) Reporting and Certification. Every lawyer admitted to practice in Maine shall annually certify to the Board in connection with the annual renewal of the lawyer's registration that, to the lawyer's knowledge after reasonable investigation:

(1) (A) the lawyer or the lawyer's law firm maintains at least one IOLTA account, and (B) the lawyer has taken reasonable steps to ensure that all client funds are held in IOLTA accounts meeting the requirements of these Rules; or

(2) the lawyer is exempt from maintaining an IOLTA account because the lawyer:

(A) is not engaged in the private practice of law;

(B) does not have an office within Maine;

(C) is (1) a judge employed full-time by the United States Government, the State of Maine or another state government; (2) on active duty with the armed services; or (3) employed full-time as an attorney by a local, state, or federal government, and is not otherwise engaged in the private practice of law;

(D) is counsel for a corporation or non-profit organization or a teacher or professor employed by an educational institution, and is not otherwise engaged in the private practice of law;

(E) has been exempted by an order of the Court that is cited in the certification; or

(F) holds no client funds.

(c) IOLTA Account Requirements.

(1) An IOLTA account is a pooled trust account earning interest or dividends at an eligible institution in which a lawyer or law firm holds funds on behalf of clients, which funds are small in amount or held for a short period of time such that they cannot earn interest or dividends for the client in excess of the costs incurred to secure such income and the account is:

(A) an interest-bearing checking or share draft account;

(B) a money market account with or tied to check-writing;

(C) an account whose funds are invested solely in repurchase agreements; or

(D) an account whose funds are invested solely in qualified money market funds.

A “qualified money market fund” is an open-end investment company registered under the Investment Company Act of 1940 that is regulated as a money market fund under Rule 270.2a-7 thereof (or any successor regulation) and that, at the time of the investment, has total assets of at least \$250,000,000, substantially all of which are invested in U.S. Government Securities. A “repurchase agreement” is a daily overnight repurchase agreement which must be fully collateralized by U.S. Government Securities and may be established only with a bank or other depository institution that is deemed to be “well capitalized” or “adequately capitalized” under applicable regulations of the Federal Deposit Insurance Corporation and National Credit Union Share Insurance Fund. U.S. Government Securities, for the purpose of this section, include securities of Government Sponsored Entities, including but not limited to Federal National Mortgage Association Securities, Government National Mortgage Association Securities, and Federal Home Loan Mortgage Corporation Securities.

An “eligible institution” for trust accounts or IOLTA is a bank, trust company, savings bank, credit union, or savings and loan association authorized by federal or state law to do business in Maine, the deposits of which are insured by an agency of the federal government, and which has been designated by the Maine Justice Foundation as an eligible institution.

(2) The Maine Justice Foundation shall establish guidelines governing approval and termination of eligible status for financial institutions, and shall annually publish a list of eligible financial institutions.

(3) *Overdraft Notification Agreement Required.* To qualify as an eligible institution, a financial institution must file with the Maine Justice Foundation an agreement, in a form provided by the Maine Justice Foundation, to report to the Board whenever any properly payable instrument is presented against a lawyer trust account containing insufficient funds, irrespective of whether or not the instrument is honored. No trust account shall be maintained in any financial institution that does not agree to so report. Any such agreement shall apply to all branches of the financial institution and shall not be cancelled except upon 60 days’ notice in writing to the Maine Justice Foundation. The overdraft notification agreement shall provide that all reports made by the financial institution shall be in the following format:

(A) In the case of a dishonored instrument, the report shall be identical to the overdraft notice customarily forwarded to the depositor and shall include a copy of the dishonored instrument, if such a copy is normally provided to depositors;

(B) In the case of instruments that are presented against insufficient funds but which instruments are honored, the report shall identify the financial institution, the lawyer or law firm, the account number, the date of presentation for payment, and the date paid, as well as the amount of overdraft created thereby; and

(C) *Timing of Reports.* Reports under Rule 6(c)(5)(B) shall be made simultaneously with, and within the time provided by law for notice of dishonor, if any. If an instrument presented against insufficient funds is honored, then the report shall be made within five banking days of the date of presentation for payment against insufficient funds.

(4) *IOLTA Requirements.* In addition to the requirements above, to qualify as an eligible institution for the maintenance of IOLTA, the institution must meet the following requirements:

(A) remit the interest and dividends on this account, net of any allowable reasonable fees, at least quarterly to the Maine Justice Foundation;

(B) transmit with each remittance a report on a form approved by the Maine Justice Foundation that shall identify each lawyer or law firm for whom the remittance is sent, the amount of remittance attributable to each IOLTA account, the rate and type of interest and dividends applied, the amount of interest and dividends, the amount and type of account-related charges deducted, if any, and the average account balance for the period in which the report is made;

(C) transmit to the depositing lawyer or law firm a report in accordance with normal procedures for reporting to its depositors; and

(D) pay on IOLTA accounts interest or dividends no less than the highest interest rate or dividend generally available from the institution to its non-IOLTA customers on accounts having similar minimum balances and other eligibility qualifications. Interest or dividends and fees shall be calculated in accordance with the eligible institution's standard practice. In determining the highest interest rate or dividend generally available from the institution to its non-IOLTA customers, an institution may consider in addition to the balance in the IOLTA account, factors customarily considered by the institution when setting interest rates or dividends for its non-IOLTA customers, provided that such factors do not discriminate between IOLTA accounts and other accounts and that these factors do not include the fact that the account is an IOLTA account. The eligible institution shall calculate interest and dividends in accordance with its standard practice for non-IOLTA customers. The eligible institution may choose to pay the higher interest rate or dividend on an IOLTA account in lieu of establishing it as a higher rate product. Nothing contained in this rule will be deemed to prohibit an institution from paying a higher interest rate or dividend on IOLTA accounts than required by this rule or from electing to waive any fees and service charges on an IOLTA account. Lawyers may only maintain IOLTA

accounts at eligible institutions that meet this rule's requirements, as determined from time to time by the Maine Justice Foundation.

Eligible institutions may comply with the rate requirements of this rule by electing to pay an amount on funds that would otherwise qualify for the options noted above, equal to the greater of (1) a 1% interest rate or (2) 65% of the Federal Funds Target Rate in effect on July 1 of each year, which rate remains in effect for twelve months, and which amount is deemed to be already net of allowable reasonable fees.

(d) Verification of Bank Accounts.

(1) *Generally.* Whenever Bar Counsel has evidence that bank or trust accounts of a lawyer that contain, should contain, or have contained funds belonging to clients have not been properly maintained or that the funds have not been properly handled, Bar Counsel shall request the approval of the Chair of the Board to initiate an investigation for the purpose of verifying the accuracy and integrity of all bank accounts maintained by the lawyer. If approval is granted, Bar Counsel shall proceed to verify the accuracy of the bank accounts.

(2) *Confidentiality.* Investigations, examinations, and verifications shall be conducted so as to preserve the private and confidential nature of the lawyer's records insofar as is consistent with these Rules and the lawyer-client privilege.

(e) Maine Justice Foundation.

(1) *IOLTA Accounting.*

(A) Beginning in 2020, on or before April 15 of each year, the Maine Justice Foundation shall complete a financial analysis of the IOLTA funds received and distributed by the Foundation during the previous calendar year and shall prepare an Annual Financial Report that will be available to the public.

(B) The Annual Financial Report shall

- (i) Be prepared according to generally accepted accounting principles;
- (ii) Include the specific allocation of IOLTA funds to the various providers, programs, and projects for the previous year;
- (iii) Include the total funds that were set aside for reserves;
- (iv) Include the total IOLTA funds that were allocated to administrative costs of the Maine Justice Foundation; and
- (v) Include categories of the rates paid by participating Banks.

(C) Copies of the Annual Financial Report of IOLTA funds shall be provided to the Supreme Judicial Court on or before April 15 each year.

(2) *Administrative Costs of the Maine Justice Foundation.* Effective in the calendar year beginning on January 1, 2021, no more than 22% of annual IOLTA funds may be allocated to the administrative costs of the Maine Justice Foundation, except that a floor of \$120,000 in administrative costs from IOLTA funds is hereby established. To allow prospective budgeting of administrative costs, the calculation of the 22% for any upcoming calendar year shall be determined by computing the average of the annual IOLTA funds received during the three calendar years preceding the calendar year before the year for which the administrative budget is being established and multiplying that number by 0.22.²

(3) *Use of IOLTA Funds.* IOLTA funds received and distributed pursuant to this Rule are intended to provide services that maintain and enhance resources available for access to justice in Maine, including those services that achieve improvements in the administration of justice and provide legal services, education, and assistance to low-income, elderly, or needy clients.

(f) Receipt of Voluntary Contributions. As part of its notification to attorneys to file annual registration statements, the Board may invite attorneys

² For example, the 22% cap for calendar year 2021 would be calculated by averaging the total IOLTA revenues from calendar years 2017, 2018, and 2019, and multiplying that average annual revenue by 0.22.

to make a voluntary contribution to the Campaign for Justice to assist in the funding of legal services for low income individuals. The Board may also provide a means for making the voluntary contribution at the same time that the annual fee is paid and is authorized to utilize its administrative staff and facilities to receive these voluntary contributions and forward them to the Campaign for Justice.

(g) Consent by Lawyers. Every lawyer practicing or admitted to practice in Maine shall, as a condition thereof, be conclusively deemed to have consented to the reporting, verification, and production requirements mandated by this rule. Such consent specifically includes authorization to the disclosure by financial institutions of all bank or trust account records and information as requested of them by Bar Counsel for the purposes of verification and investigation pursuant to Rule 6(d).

(h) Costs. Nothing herein shall preclude a financial institution from charging a particular lawyer or law firm for the reasonable cost of producing the reports and records required by this rule.

III. COMMISSIONS

RULE 7. FEE ARBITRATION COMMISSION

(a) Commission.

(1) *Appointment.* The Board shall appoint five or more Fee Arbitration Commission panels, each of which shall be assigned a geographic region of the state. Each panel shall consist of two attorneys licensed to practice law in Maine and one public member who is a Maine resident. The Board shall appoint alternate attorneys and public members to serve on the Fee Arbitration Commission as members at large. Each year the Board shall also appoint a Chair and Vice Chair of the Fee Arbitration Commission from among the Commission's attorney members. The Chair or Vice Chair shall appoint one of the attorney members of each panel to chair that panel.

(2) *Terms of Office.* Panel members shall be appointed for a term of four years. No member shall serve more than two consecutive four-year terms. A member whose term has expired may continue to serve on any case that was commenced before the expiration of the member's term. As each regular

member's term of office on the Fee Arbitration Commission expires, a successor shall be appointed for no more than two consecutive full terms but a regular member appointed for less than a full term (originally or to fill a vacancy) may serve two additional full terms. A member who has served two consecutive four-year terms may not be reappointed before the expiration of at least one year. Members shall not be subject to removal by the Board during their terms of office except for cause.

(3) *Representation Prohibition.* No member of the Fee Arbitration Commission may be legal counsel for a party in any proceedings under these Rules. When a member of the Commission member's firm serves as legal counsel for a party in any proceeding under this rule, the Commission member may perform Commission responsibilities unrelated to that proceeding, provided that the Commission member is timely screened from any participation in or relating to that proceeding, at both the Commission member's firm and the Commission.

(4) Upon conclusion of service, members shall take reasonable steps to destroy all documents, in paper or electronic format, relating to the proceedings of the Board subject to the confidentiality provisions of these Rules.

(b) Powers and Duties. The Fee Arbitration Commission shall have the following powers and duties:

(1) to interpret this rule;

(2) to approve forms;

(3) to establish written procedures that afford a full and equal opportunity to all parties to present relevant evidence;

(4) to educate the public and the bar about the Fee Arbitration Commission; and

(5) to perform all acts necessary for the effective operation of the Fee Arbitration Commission.

(c) Board Clerk. The Board Clerk shall perform the administrative functions of the Commission. The Board Clerk shall have the following powers and duties:

(1) to keep and maintain records of all petitioners and respondents, as well as all proceedings, determinations, and awards of the Fee Arbitration Commission;

(2) to process Fee Arbitration cases and communicate with parties to the dispute;

(3) to schedule Fee Arbitration hearings;

(4) to process and disseminate Arbitration Awards to the appropriate groups and parties; and

(5) to perform such additional duties as may be assigned by the Board or the Fee Arbitration Commission.

(d) Procedures.

(1) *Initiation of Proceedings.* Proceedings before the Fee Arbitration Commission shall be initiated upon receipt of a petition regarding legal fees and/or costs paid to or charged by an attorney providing legal services in Maine. The petitioner shall

(A) set forth the petitioner's full name and current address and the attorney with whom the petitioner has a dispute;

(B) agree to be bound by the decision of a Fee Arbitration Panel;

(C) represent that the petitioner has made a good faith effort to resolve the dispute with the attorney involved before filing the petition; and

(D) state whether the dispute is the present subject of legal action and certify that the matter has not been finally adjudicated by a court or administrative agency. If the dispute is currently the subject of other judicial or administrative proceedings, such proceedings shall be identified in the petition.

(2) *Pending Action.* If there is a pending action or proceeding before a Maine court or agency involving the disputed fees, then such matter shall, upon motion of the petitioner, be stayed by that tribunal until such dispute is resolved pursuant to this rule, and the award hereunder shall be determinative of the action so stayed.

(3) *Preliminary Review by Board Clerk.* Upon filing, a petition shall be expeditiously reviewed by the Board Clerk. If the Board Clerk determines that there are no just grounds for the dispute, or that the matter is moot, or that the arbitration was not commenced within six years from the time the bill in dispute was rendered or the fee paid in whole or part, whichever occurs first, the Board Clerk may recommend that the Chair or Vice Chair of the Fee Arbitration Commission dismiss the matter. When recommending a dismissal, the Board Clerk shall provide a concise written statement of the facts and reasons why a matter should be dismissed to the Chair or Vice Chair of the Fee Arbitration Commission. If the Chair or Vice Chair concurs with the Board Clerk's recommendations, the matter shall be closed and the petitioner so advised. If the Chair or Vice Chair rejects the Board Clerk's recommendations, the matter shall proceed under this rule.

(4) *Petition Filed by Non-Client.* When a petition is filed by a non-client of the named respondent attorney, the Board Clerk shall provide the client with notice of the petition and request that within 10 days the client consent in writing to the filing and processing of the petition under this rule. Should the client fail to provide consent, the Board Clerk shall refer the matter to the Chair or Vice Chair for determination whether any action under this rule is appropriate for the Fee Arbitration Commission or if dismissal is required.

(5) *Notice to Respondent.* A blank form captioned "Respondent's Reply and Submission to Arbitration" shall be forwarded to the respondent. If the respondent fails, without good cause, to file a reply within 30 days after the mailing, the panel may proceed to hear the petition and make its findings and award upon the evidence produced by the petitioner. The panel may, at its discretion, refuse to consider evidence offered by the respondent that would reasonably be expected to have been disclosed in the Respondent's Reply. Upon receipt of Respondent's Reply, the Board Clerk shall forward a copy of the same to the petitioner.

(6) *Notice of Client's Right to Arbitrate Legal Fees.* At least 30 days before service or filing of a complaint in a civil action against an attorney's client or former client (hereinafter client) to recover fees for professional services previously rendered and/or costs incurred for which no judgment has previously been obtained, an attorney shall mail to the client at the client's last known address, and to the person liable for the payment of the attorney's fees if other than the client at that person's last known addresses, a written notice of the right to arbitrate, which shall include the following language:

You currently owe the sum of \$___ in legal fees [and costs] to [name of attorney or firm]. If you dispute the fact that you owe any part of the amount claimed to be due, you have the right to have the matter resolved without additional expense to you by arbitration before a panel of the Fee Arbitration Commission. Forms and instructions for filing a petition for arbitration are available from the Board of Overseers of the Bar [insert Board address, phone number and website URL].

(7) *Failure to Give Notice.* No attorney shall seek to enforce a judgment against a client for attorney fees or costs which have been entered without having provided that client with the required notice of the right to arbitrate as set forth above.

(8) *Referral to Arbitration Panel.*

(A) *Panel Composition.* After notification of appointment to a panel, assigned panel members shall notify the Board Clerk of any conflict of interest with a party to the arbitration. Upon notification of the conflict, the Board Clerk shall appoint a replacement from the list of Fee Arbitration Commission members. Parties may object in writing to the composition of a panel, and the Fee Arbitration Commission may relieve the disqualified panel member and appoint a replacement.

(B) *Notice of Hearing.* The Board Clerk shall make a reasonable effort to assign the matter for hearing within 60 days after the date of receipt of the petition. The Board Clerk shall also provide petitioner and the respondent written notice of the date, time, and place of hearing.

(C) *Dismissal.* If not earlier resolved pursuant to Rule 7(d)(3), a petition shall later be dismissed by the Board Clerk upon the petitioner's submission of a written request for dismissal prior to the respondent's

filing of a reply to the dispute. After the respondent files a reply to the dispute, the petition shall not otherwise be dismissed except by order of the chair of the assigned hearing panel or of the Chair or Vice Chair of the Fee Arbitration Commission.

(9) *Right to Counsel.* Each party to a dispute shall have the right to be represented at the party's own expense by an attorney at any stage of the arbitration. For cause shown, or on its own motion, the Chair or Vice Chair may, in its discretion, authorize the Board Clerk to obtain the volunteer services of and assign an attorney to represent either the petitioner or the respondent in any proceeding before the panel.

(10) *Communications.* Any notice or other communication required by this rule shall be sufficient if in accordance with the requirements of Rule 15. Notice to a petitioner shall be made to the address set forth by petitioner in the petition.

(e) Arbitration Hearing.

(1) If, at the time set for a hearing before a panel, three members are not present, the chair of the panel, or in the event of the chair's unavailability, the other members present, may decide either to postpone the hearing, or, with the written consent of those parties present, to proceed with the hearing with two panel members, one of whom must be a public member.

(2) If any member of a panel dies or becomes unable to continue to act while the matter is pending and before an award has been issued, the proceedings to that point shall be declared null and void and the matter assigned to a new panel for rehearing unless the parties, with the consent of the panel chair, or in the event of the chair's unavailability, the Chair or Vice Chair of the Fee Arbitration Commission, consent to proceed with the remaining panel members, one of whom must be a public member.

(3) The members of the arbitration panels shall be vested with all of the powers, and shall assume all of the relevant duties, granted and imposed upon neutral arbitrators by the Uniform Arbitration Act, 14 M.R.S. § 5927 et seq., to the extent that the same is not in conflict with this rule.

(4) On the hearing date, the arbitration panel shall meet, take testimony, receive other evidence, and otherwise conduct an impartial, fair, and

expeditious hearing on the matter. The panel shall accept such evidence as is relevant and material to the dispute and request additional evidence as necessary to understand and resolve the dispute. The parties shall be entitled to be heard, to present evidence, and to cross-examine parties and witnesses. The panel shall judge the relevance and materiality of the evidence.

(5) Upon request of a party or upon its own determination, a panel or its chair may, for good cause shown, adjourn or postpone the hearing.

(6) The chair of the panel shall preside at the hearing. For purposes of admissibility, the chair shall be the judge of the relevance and materiality of the evidence offered and shall rule on questions of procedure. The chair shall exercise all powers relating to the conduct of the hearing. Evidence shall be admitted if it is the kind of evidence upon which reasonable persons are accustomed to rely in the conduct of serious affairs. The panel may exclude irrelevant, unduly repetitious, or unduly prejudicial evidence. The Maine Rules of Evidence shall not apply at the hearing.

(7) The petitioner and the respondent, or counsel representing either of them, shall be entitled to be heard, to present evidence, and to cross-examine parties and witnesses appearing at the hearing. In addition, any panel member shall be entitled to make inquiries of any party or witness at the hearing. The testimony of witnesses shall be by oath or affirmation administered by the panel chair.

(8) Appearance by a party at a scheduled hearing shall constitute waiver by said party of any deficiency with respect to the giving of notice of hearing. If a party who has been notified of the time, date, and place of the hearing in accordance with the procedures of this rule fails to appear at the hearing, an arbitration panel or its chair may either postpone the hearing or proceed with the hearing and determine the controversy upon the petition, reply, and other evidence produced.

(9) The Board shall cause all proceedings before the panel to be stenographically or electronically recorded in a form that will readily permit transcription. A hearing transcript or partial transcript may be ordered at any time by the Fee Arbitration Commission panel, the petitioner, the respondent, or the Board. When ordering a transcript, the respondent or petitioner must provide a copy of the requested transcript to the opposing party and the Board at that party's own expense.

(10) *Death or Incompetency of a Party.* In the event of death or incompetency of a party, the personal representative of the deceased party or the guardian or conservator of the incompetent may be substituted.

(11) A witness or party may be summoned by subpoena to appear before a Fee Arbitration Commission panel pursuant to the procedures set forth in Rule 16.

(12) In the event there is no written agreement or engagement letter between the parties concerning fees and expenses as to the particular matter in dispute, the respondent shall bear the burden of proof of an agreement, or other basis for recovery of fees and expenses, and of the reasonableness of the fees and expenses.

(f) Arbitration Award.

(1) The decision of the arbitration panel shall be expressed in a written award accompanied by a confidential addendum expressing the specific reasons for the award, signed by the panel chair on behalf of the panel, and thereupon filed with the Board Clerk. If there is a dissent, it shall be signed separately by the dissenting panel member. If the hearing is held before a two member panel, both panel members must be in agreement regarding the disposition of a case. Absent such agreement, the matter will be rescheduled for a new hearing before a different panel. An award may also be entered on consent of the parties.

(2) The decision and award of the arbitrators shall contain a statement of the amount or nature of the award, if any, and the terms of payment, if applicable. Clerical mistakes arising from oversight or omission may be corrected at any time by the panel chair or the Board Clerk at the Fee Arbitration Commission's initiative or on the motion of a party.

(3) The award of the arbitration panel shall be rendered within 30 days after the close of the hearing, unless otherwise extended by the Chair or Vice Chair of the Fee Arbitration Commission.

(4) A copy of the decision containing the award and the accompanying confidential addendum shall be promptly forwarded by the Board Clerk to the petitioner and the respondent, or their respective counsel; the Chair and Vice Chair of the Fee Arbitration Commission; and the Board.

(g) Enforcement and Challenges to Award. Whenever an arbitration panel finds by its award that all or part of the fee paid by the petitioner should be refunded by the respondent, the attorney shall make the awarded refund within 30 days of receipt of the award, unless otherwise provided for in the award. If the respondent fails to make the awarded refund within the applicable timeframe, the Board Clerk shall refer the matter to Bar Counsel for action pursuant to Rule 14(b)(5). The award rendered by an arbitration panel may be enforced in accordance with the Uniform Arbitration Act, 14 M.R.S. § 5927 et seq. Section 5928 of Title 14, relating to proceedings to compel or stay arbitration is not applicable to proceedings under this rule. The award may be challenged on the limited grounds, and by the procedure, set forth in 14 M.R.S. § 5938.

(h) Confidentiality. With the exception of the award itself, the confidential addendum as well as all petitions, replies, records, documents, files, proceedings, and hearings pertaining to arbitrations of any fee dispute under this rule and these procedures shall be confidential, and, unless otherwise ordered by the Court, shall not be open to the public, press, or any person not involved in the dispute, excepting only the staff and members of the Fee Arbitration Commission, the Board, and the Committee on Judicial Responsibility and Disability in connection with any complaint within its jurisdiction. Notwithstanding this confidentiality, any person—including but not limited to members of the Board, members of the Fee Arbitration Commission, and Board staff—may notify governmental officials of actual or threatened criminal conduct by any individual. Access to relevant information may also be provided to authorized agencies.

(4) to maintain an indexed compilation of its opinions.

(e) Opinions as Evidence. Opinions of the Professional Ethics Commission shall be admissible in any proceeding in which the interpretation or application of a provision of the Maine Rules of Professional Conduct is at issue.

(f) Confidentiality. With the exception of an advisory opinion finally rendered pursuant to this rule, all inquiries, replies, records, documents, files, and proceedings pertaining to the interpretation of ethical rules and the rendering of advisory opinions with respect thereto shall be confidential, and, unless otherwise ordered by the Court, shall not be opened to the public, press, or any person not involved in the rendering of the advisory opinions, excepting only the staff and members of the Professional Ethics Commission and their professional associates actively involved in working on an advisory opinion for such member, the staff and members of the Grievance Commission, Bar Counsel, the staff and members of the Board, and the Court. No person shall publicly disclose the identity of another individual whose conduct was the subject of an advisory opinion without the consent of that individual.

(c) Representation Prohibition. No member may be legal counsel for a party in any proceedings under Rules 10 to 32. When a member of the panel member's firm serves as legal counsel for a party in any proceeding under Rules 10 to 32, the panel member may perform Commission responsibilities unrelated to that proceeding, provided that the panel member is timely screened from any participation in or relating to that proceeding, at both the panel member's firm and the Commission.

(4) A former member of a Grievance Commission panel who is a member of the bar shall comply with the provisions of Rule 1.12 of the Maine Rules of Professional Conduct with respect to participating in any proceedings under these Rules.

(6) Grievance Commission members may not testify voluntarily in any proceedings under these Rules or as an expert witness in the field of ethics in any court proceeding.

(7) Grievance Commission members may not serve as probation monitors. Members of the Grievance Commission shall be recused from participating in any matter where a member of the Grievance Commission member's firm is serving as a probation monitor.

(h) Destruction of Confidential Documents. Upon conclusion of service, members shall take reasonable steps to destroy all documents, in paper or electronic format, relating to the proceedings of the Board and subject to the confidentiality provisions of these rules.

(i) Ex Parte Communication. Except as otherwise permitted under Rule 13(f), members of a Grievance Commission panel shall refrain from *ex parte* meetings and communication with non-Commission members concerning matters affecting a particular case or pending proceeding.

IV. MAINE DISCIPLINARY RULES

RULE 10. JURISDICTION

(a) Lawyers Admitted to Practice. Any lawyer admitted to practice law in Maine is subject to the disciplinary jurisdiction of the Court and the Board. This includes any formerly admitted lawyer with respect to acts committed prior to resignation, surrender of license, suspension, disbarment, or transfer to inactive status, or with respect to acts subsequent thereto which amount to the practice of law or constitute a violation of these Rules or of the Maine Rules of Professional Conduct or any Rules or Code subsequently adopted by the Court in lieu thereof, and any lawyer specially admitted by a Maine court for a particular proceeding, and any lawyer not admitted in Maine who practices law or renders or offers to render any legal services in Maine.

(b) Former Judges. A former justice or judge who has resumed the status of a lawyer is subject to the jurisdiction of the Board not only for conduct as a lawyer but also for misconduct that occurred while the lawyer was a judge and would have been grounds for lawyer discipline, provided that the misconduct was not the subject of a judicial disciplinary proceeding as to which there has been a final determination by the Court. Misconduct by a justice or judge that is not finally adjudicated before the justice or judge leaves office falls within the disciplinary jurisdiction of the Board. The Board shall coordinate with the Committee on Judicial Responsibility and Disability in any investigations or proceedings concerning a justice or judge arising out of the same or related conduct.

(c) Incumbent Judges. Incumbent justices or judges shall not be subject to the jurisdiction of the Board; however, if an incumbent justice or judge is to be removed from office in the course of a judicial discipline or disability proceeding, the Court shall first afford the Board and the respondent an opportunity to submit a recommendation whether lawyer discipline should be imposed, and if so, the extent thereof.

(d) Powers Not Assumed. These Rules shall not be construed to deny to any court the powers necessary to maintain control over its proceedings.

RULE 11. STATUTE OF LIMITATIONS

Proceedings under these Rules shall be exempt from all statutes of limitations.

RULE 12. IMMUNITY

The Board of Overseers of the Bar is a quasi-judicial agent of the Court. The Board, members of the Board; members of Grievance Commission panels; members of Fee Arbitration Commission panels; Bar Counsel, monitors, and any person acting on their behalf; and the Board's staff shall be immune from suit or claim for conduct and communications in the course of their official duties, to the extent provided by statute and other provisions of law.

RULE 13. DISCIPLINARY RULES OF PROCEDURE

(a) Evaluation. The Central Intake Office shall evaluate all information coming to the attention of the Board by complaint or from other sources alleging lawyer misconduct or incapacity. If the lawyer is not subject to the jurisdiction of the Court, the Central Intake Office shall refer the matter to the appropriate entity in any jurisdiction in which the lawyer is known to be admitted. If the information, if true, would not constitute misconduct or incapacity, the Central Intake Office may refer the matter to another agency with appropriate jurisdiction, or dismiss the complaint. If the lawyer is subject to the jurisdiction of the Court and the information alleges facts that, if true, would constitute misconduct or incapacity, the Central Intake Office shall refer the matter to Bar Counsel, who shall conduct an investigation.

(b) Investigation.

(1) Bar Counsel shall conduct all investigations, except as otherwise required by these Rules. Upon the conclusion of an investigation, Bar Counsel shall

(A) dismiss subject to review under Rules 9(e) and 13(b)(3);

(B) issue a stay;

(C) refer respondent to the Alternatives to Discipline Program, pursuant to Rule 13(c);

(D) recommend dismissal, if a public member had previously disapproved dismissal under Rule 9(e);

(E) recommend dismissal with a warning, subject to review under Rule 13(d); or

(F) issue a report to the Board Clerk recommending the filing of formal charges with a Grievance Commission panel (or a Single Justice, if authorized by these Rules).

In all cases, Bar Counsel shall briefly and generally state in writing the reasons for the recommended disposition.

(2) *Notice to Respondent.* Bar Counsel may dismiss a matter or issue a stay without providing respondent an opportunity to respond. In all other cases, Bar Counsel shall first notify the respondent in writing of the substance of the matter and afford him or her an opportunity to respond. Notice to the respondent shall be pursuant to Rule 15.

(3) *Dismissal Review.* If Bar Counsel dismisses the complaint, Bar Counsel shall notify the complainant and the respondent of the dismissal, provide the reasons for the dismissal, and inform the complainant and the respondent that any review of the dismissal must be requested within 21 days of service pursuant to Rule 15. Any further review shall be subject to Rule 9(e).

(c) Alternatives to Discipline Program.

(1) *Referral to Program.* Bar Counsel may refer respondent to the Alternatives to Discipline Program. The Alternatives to Discipline Program may include fee arbitration, Silent Partners, Maine Assistance Program for Lawyers and Judges, psychological counseling, continuing legal education, or any other program authorized by the Board or the Court.

(2) *Factors.* The following factors may be considered in determining whether to refer a respondent to the Alternatives to Discipline Program:

(A) whether the presumptive sanction under the ABA Standards for Imposing Lawyer Sanctions for the alleged misconduct is likely to be no more severe than reprimand or admonition;

(B) whether participation in the program is likely to benefit the respondent and accomplish the goals set forth by the program; and

(C) whether aggravating or mitigating factors exist.

(3) *Notice to Complainant.* Bar Counsel shall notify the complainant, if any, of the decision to refer the respondent to the Alternatives to Discipline Program. The complainant shall have a reasonable opportunity to submit a statement offering any new information regarding the respondent. This statement shall be made part of the record.

(4) *Contract.* Bar Counsel and the respondent shall negotiate a contract, the terms of which shall be tailored to the individual circumstances. In each case, the contract shall be in writing and signed by the respondent and by Bar Counsel. The contract shall set forth the terms and conditions of the plan for the respondent and, if appropriate, shall identify the use of a practice monitor and/or a recovery monitor and the responsibilities of the monitor(s). The contract shall provide for oversight of fulfillment of the contract terms. Oversight includes reporting of any alleged breach of contract to Bar Counsel. The contract shall also provide that the respondent will pay all costs incurred in connection with the contract. The contract shall include a specific acknowledgment that a material violation of a term of the contract renders voidable the respondent's participation in the program for the original charge(s) filed. The contract may be amended upon agreement of the respondent and Bar Counsel. If a recovery monitor is assigned, the contract shall include respondent's waiver of confidentiality so that the recovery monitor may make necessary disclosures in order to fulfill the monitor's duties under the contract.

(5) *Effect of Non-Participation in the Program.* The respondent has the right not to participate in the Alternatives to Discipline Program. If the respondent does not participate, the matter will proceed as though no referral to the Program had been made.

(6) *Stay.* After an agreement is reached, the disciplinary complaint may be stayed pending successful completion of the terms of the contract.

(7) *Termination.*

(A) *Fulfillment of the Contract.* Bar Counsel may terminate the contract when Bar Counsel determines that the respondent has fulfilled the terms of the contract, at which point the stay is lifted.

(B) *Material Breach.* A material breach of the contract shall be cause for termination of the respondent's participation in the program. After such termination, disciplinary proceedings may be resumed or reinstated.

(d) Preliminary Review by Grievance Commission Panel.

(1) If a complaint is not concluded pursuant to Rules 13(b)(1)(A) to (C), at the conclusion of Bar Counsel's investigation, Bar Counsel shall file a confidential report with the Board Clerk recommending disposition pursuant to Rules 13(b)(1)(D) to (F). Bar Counsel shall also notify the parties of the proposed recommendation.

(2) At least fourteen days in advance of the preliminary review, the Board Clerk shall prepare and deliver to Bar Counsel a statement as to the existence of any sanction record, reinstatement, or surrender of license involving the respondent. Bar Counsel shall then mail the statement to the respondent. Within 10 days, the respondent may submit a reply as to the relevance of the prior sanction record to the present charge. The statement and any reply from the respondent shall be provided to the panel in accordance with Rule 13(e)(8). These procedures and filings shall not be applicable when the respondent attorney has no prior sanction record.

(3) The Board Clerk shall assign the complaint to a three-member panel of the Grievance Commission for a confidential review. However, with the consent of the review panel chair, the panel may act with the concurrence of one attorney and one public member. In the event that such a review panel is deadlocked, a new three-member panel shall be assigned to review. The confidential review is not open to the public. Only Bar Counsel and the panel shall be present for the review.

(4) The panel shall review the complaint, any response submitted by the attorney, any reply submitted by the complainant, the results of Bar Counsel's investigation, and Bar Counsel's report with recommendation to (A)

file formal charges, (B) dismiss with a warning, or (C) dismiss. Within 10 days following a review, unless otherwise extended by the Chair or Vice Chair of the Grievance Commission, the panel shall decide whether it approves Bar Counsel's recommended disposition and notify the Board Clerk of its decision.

(5) The Board Clerk shall notify Bar Counsel, the respondent, and the Complainant in writing of the panel's decision to defer, dismiss, dismiss with a warning, or file formal charges. The panel's decision is final and not subject to further review.

(6) When a respondent is the subject of a pending disciplinary proceeding pursuant to Rule 13(g), with the consent of a Grievance Commission review panel, Bar Counsel may bypass the preliminary review stage and commence a disciplinary action before a Single Justice concerning any allegations of misconduct by the same attorney that have subsequently come to the attention of Bar Counsel.

(7) Prior to a hearing, a review panel may, for good cause shown, rescind the directive to proceed to a public hearing and issue a dismissal or a dismissal with a warning.

(e) Formal Charges Hearing. If a matter is to be resolved by a formal proceeding, Bar Counsel shall prepare formal charges in writing that give fair and adequate notice of the nature of the alleged misconduct.

(1) Bar Counsel shall file the charges with the Board Clerk.

(2) Bar Counsel shall serve a copy of the formal charges upon the respondent in accordance with Rule 15.

(3) The respondent shall file a written answer with the Board Clerk and serve a copy on Bar Counsel within 21 days after service of the formal charges, unless the time is extended by the chair of the Grievance Commission panel to which the matter is assigned for review or, in the chair's absence, by the Chair or Vice Chair of the Grievance Commission. If the respondent fails to answer within the prescribed time or the time as extended, the factual allegations and the alleged misconduct shall be deemed admitted as provided in Rule 20(a). Bar Counsel may provide a copy of the respondent's answer to the complainant; provided, however, that upon a request by the respondent

and submission of a redacted version of the answer, Bar Counsel may provide the complainant with only a redacted version of the answer.

(4) The Board Clerk shall assign the complaint to a three-member panel of the Grievance Commission for hearing. The panel may act with the concurrence of two members. However, one attorney and one public member may conduct a hearing with the consent of all parties. In the event that such a two-member panel member is deadlocked, a new three-member panel shall be assigned to hear the matter.

(5) The Board Clerk shall serve a notice of hearing upon Bar Counsel, the complainant and the respondent, stating the date and place of hearing at least 25 days in advance thereof. The notice of hearing shall advise the respondent of the right to be represented by a lawyer, to cross-examine witnesses, and to present evidence.

(6) At least 14 days before the hearing, the Board Clerk shall prepare and deliver to Bar Counsel a statement as to the existence or absence of any sanction record, reinstatement, or surrender of license involving the respondent. Bar Counsel shall then mail the statement to the respondent. Within 10 days, the respondent may submit a reply as to the relevance of the prior sanction record to the present charge. The statement and any reply from the respondent shall be provided to the panel in accordance with Rule 13(e)(8).

(7) *Hearing.* The Grievance Commission panel shall hold a hearing in accordance with Rule 14(a) and the following:

(A) The panel chair shall preside at the hearing, and shall have the power to control the course of proceedings and regulate the conduct of those individuals appearing as counsel, parties, or witnesses. The failure of an attorney participating in such a hearing as a party, counsel for a party, or a witness to obey an order of the chair shall constitute a violation of Rule 8.4 of the Maine Rules of Professional Conduct, and if committed by the respondent, may be duly considered by the Grievance Commission panel in its disposition of the matter before it.

(B) The hearing shall be open to the public, except that to protect the interests of a complainant, witness, third party, or respondent attorney, the chair may, upon motion filed with the Board Clerk and for good cause shown, issue a protective order prohibiting the disclosure of specific

information otherwise privileged or confidential and direct that the proceedings be conducted so as to implement that order. The deliberations of the Grievance Commission panel following the hearing shall not be open to the public or the parties.

(C) At the hearing, Bar Counsel and the respondent may present evidence and may cross-examine witnesses. The respondent may be represented by counsel. The testimony of witnesses shall be by oath or affirmation administered by the panel chair.

(D) Subject to approval by the chair, hearing formalities of this rule may be waived by a signed, stipulated agreement of the parties. When such a waiver includes or incorporates the parties' submission of an agreed proposed sanction order pursuant to Rule 25, that waiver shall also contain the respondent attorney's signed waiver of the right to file a petition for review under Rule 13(f).

(8) Bar Counsel shall not divulge the statement as to the existence or absence of any sanction record to the Grievance Commission panel until after the panel has made a finding of misconduct, unless this statement is probative of issues pending in the matter before the panel.

(9) Within 30 days following the hearing, unless otherwise extended by the Chair or Vice Chair of the Grievance Commission, the Grievance Commission panel shall issue a written report containing its findings and decision on dismissal or sanction to the Board Clerk. The report shall set forth the Grievance Commission panel's findings of fact, conclusions of law, and application of any relevant factors with respect to appropriate sanctions for misconduct. The Board Clerk shall serve the report on respondent and Bar Counsel, who shall provide the report to the complainant.

(10) The Grievance Commission panel's report shall render one or more of the following:

(A) *Dismissal.* The Grievance Commission panel shall dismiss the petition if it finds, on the evidence and arguments presented, that no misconduct subject to sanction under these Rules occurred.

(B) *Admonition.* If the disciplinary panel finds that misconduct subject to sanction under these Rules has occurred, but that the misconduct is

minor; that there is little or no injury to a client, the public, the legal system, or the profession; and that there is little likelihood of repetition by the attorney, the panel will issue an admonition having the effect provided in Rule 21(b)(1).

(C) *Reprimand.* If the disciplinary panel finds that misconduct subject to sanction under these Rules has occurred and that all of the conditions set forth in Rule 13(e)(10)(B) are not present, the panel may reprimand the respondent attorney.

(D) *Probation.* If the disciplinary panel finds that misconduct subject to sanction under these Rules has occurred and that all of the conditions set forth in Rule 13(e)(10)(B) are not present, the panel may impose a period of probation on the respondent attorney as defined in Rule 21(b)(4).

(E) *Information.* Upon a finding of probable cause for suspension or disbarment, the Grievance Commission panel shall direct Bar Counsel to file an Information pursuant to Rule 13(g).

(f) Petition for Review of Dismissal, Admonition, Reprimand, or Probation.

(1) *Petition and Answer.* Within 21 days after dismissal or delivery of a reprimand, probation, or admonition, a respondent attorney or Bar Counsel may file a petition for review by a Single Justice. The petitioning party shall file the petition for review with the Executive Clerk of the Court, and shall serve the petition on the opposing party. The petition for review shall include copies of the disciplinary petition and answer filed with the Grievance Commission and of the panel's decision dismissing or imposing a reprimand, probation, or admonition, and shall contain a concise statement of the grounds upon which the petitioning party seeks relief and a demand for the specific relief sought. Within 21 days after service of the petition for review, the opposing party shall file an answer with the Executive Clerk of the Court and shall transmit a copy thereof to the petitioning party.

(2) *Preparation of Record.* Within 21 days after the answer is filed, the Board Clerk shall prepare and file the complete record of the proceedings with the Executive Clerk of the Court and provide notice thereof to the parties. If either party believes that the record filed by the Board Clerk is incomplete or

over-inclusive, that party shall serve notice upon the opposing party within 10 days after the record is filed. The notice shall include specific proposals regarding additions to or deletions from the record filed by the Board Clerk. The parties shall attempt to agree upon the contents of the record. If the parties cannot agree, either party may request that the Single Justice modify the contents of the record.

(3) *Motion for Trial of the Facts.* The respondent may file a motion for a trial of the facts with the petition for review. If, on motion, the Court finds in its discretion that the respondent attorney ought to have a trial of the facts, the Single Justice may order a hearing to permit the introduction of evidence that does not appear in the record of the proceedings before the Grievance Commission panel and that has not been stipulated. Respondent's failure to file such a motion shall constitute a waiver of any right to a trial of the facts. With the motion, the respondent attorney shall also file a detailed statement, in the nature of an offer of proof, of the evidence to be introduced at the hearing. That statement must be sufficient to permit the Single Justice to make a proper determination as to whether any trial of the facts as presented in the motion and offer of proof is appropriate and, if so, to what extent. After hearing, the Single Justice shall issue an appropriate order specifying the future course of proceedings. The Single Justice may order that additional evidence be taken.

(4) *Scope of Review.* Unless otherwise provided by order of the Single Justice, review of a Grievance Commission panel's decision to dismiss or impose a reprimand, probation, or admonition shall be based upon the record of the proceedings before the panel. The judgment entered after such review may affirm, vacate, or modify the decision of the panel. Any findings of fact of the Grievance Commission panel shall not be set aside unless clearly erroneous. Either party may appeal to the Court within 21 days from entry of the judgment.

(5) *Finding of Probable Cause.* If at any stage of the proceedings on petition for review, the Single Justice determines that there is probable cause that the matter be concluded by suspension or disbarment, the Single Justice shall direct Bar Counsel to file an Information and the matter shall be conducted as an attorney discipline action in accordance with Rule 13(g).

(g) Attorney Discipline Actions before the Court.

(1) *Commencement.* An attorney discipline action authorized pursuant to this rule shall be commenced by the filing of an Information with the

Executive Clerk of the Court. The Information shall allege that the respondent is an attorney subject to these Rules and has conducted herself or himself in a manner unworthy of an attorney admitted to the Maine Bar for the reasons specified in the Information. The Board shall be responsible for serving the Information, together with a summons, upon the respondent in accordance with Rule 15.

(2) *Procedure.* An attorney discipline action shall be heard by a Single Justice assigned by the Chief Justice to hear the action. The Board shall be treated as the plaintiff and the respondent attorney as the defendant; and the action shall be captioned “Board of Overseers of the Bar v. [name of respondent attorney].”

(3) *Discovery.* Bar Counsel shall furnish to the respondent attorney, within a reasonable time after the filing of the Information, copies of all exhibits presented to the Grievance Commission panel or the Board in the proceedings leading to the information. The stenographic or electronic record, as required by Rule 14(a)(6), and any other matter within Bar Counsel’s possession or control that is discoverable under Rule 26 of the Maine Rules of Civil Procedure, shall be made available to the respondent attorney at the office of Bar Counsel at any reasonable time for inspection and copying at the respondent attorney’s expense.

(4) *Judgment and Appeal.* The Single Justice may enter judgment imposing an admonition, probation, a reprimand, suspended suspension, suspension for a definite period, or disbarment, or may dismiss the Information. Either party may appeal to the Court within 21 days from the entry of the judgment.

(5) *Attorney’s Status Pending Appeal.* Pending appeal to the Court, a judgment of suspension or disbarment shall, unless stayed in whole or in part by the Single Justice or the Court, be given full force and effect.

RULE 14. ADDITIONAL RULES OF PROCEDURE

(a) Proceedings before a Grievance Commission Panel.

(1) *Nature of Proceedings.* Disciplinary proceedings before a Grievance Commission panel are neither civil nor criminal.

(2) *Proceedings Not Governed by Rules of Civil Procedure and Evidence.* Except as otherwise provided in these Rules, the Maine Rules of Civil Procedure and the Maine Rules of Evidence do not apply in disciplinary proceedings before a Grievance Commission panel.

(3) *Evidence.* Evidence shall be admitted if it is the kind of evidence upon which reasonable persons are accustomed to rely in the conduct of serious affairs. The chair of the Grievance Commission panel may exclude irrelevant or unduly repetitious evidence.

(4) *Burden and Standard of Proof.* In disciplinary matters before a Grievance Commission panel, Bar Counsel shall have the burden of establishing the Board's case by a preponderance of the evidence. In proceedings seeking reinstatement, the petitioner shall have the burden of establishing his or her case by clear and convincing evidence.

(5) *Prehearing Conference.* At the discretion of the chair of the Grievance Commission panel or upon request of either party, a conference may be ordered for the purpose of obtaining admissions or otherwise narrowing the issues presented by the pleadings. The conference shall be held before the chair of the Grievance Commission panel or another member of the Grievance Commission panel designated by the chair.

(6) *Hearings Recorded.* The Board shall cause all proceedings before the panel to be stenographically or electronically recorded in a form that will readily permit transcription.

(7) *Hearing Transcript.* A hearing transcript or partial transcript may be ordered at any time by the Grievance Commission panel, respondent, Bar Counsel, or the Board. When ordering a transcript, respondent or Bar Counsel must provide a copy of the requested transcript to the opposing party at that party's own expense.

(8) *Related Pending Litigation.* Upon a showing of good cause, the Grievance Commission panel may stay a disciplinary matter because of substantial similarity to the material allegations of pending criminal or civil litigation or disciplinary action. The panel may weigh the following factors:

(A) whether a factual dispute exists such that weighing and balancing contending factors is peculiarly one for the tribunal;

(B) whether disciplinary action prior to conclusion of the case might have an unwarranted effect on the outcome of litigation;

(C) whether the complainant has taken the opportunity to present the dispute to the tribunal where such action would normally be expected; and

(D) whether the misconduct is so blatant as to warrant immediate discipline.

(9) *Delay Caused by Complainant.* None of the following shall independently justify abatement of the processing of any complaint:

(A) a complainant's unwillingness or neglect to sign a complaint or prosecute a charge,

(B) a settlement or compromise between a complainant and the respondent, or

(C) a complainant's acceptance of restitution from the respondent.

(10) *Effect of Time Limitations.* Except as is otherwise provided in these Rules, time is not jurisdictional. Failure to observe prescribed time intervals may result in sanctions against the party that has failed to observe such prescribed time intervals, but does not ordinarily, in itself, justify abatement of any discipline investigation or proceeding.

(b) Proceedings before a Single Justice or the Court.

(1) *Proceedings Governed by Rules of Civil Procedure and Evidence.* Except as otherwise provided, disciplinary proceedings before a Single Justice or the Court shall be governed by the Maine Rules of Civil Procedure and the Maine Rules of Evidence. Except as otherwise provided by Rule 17, Maine Rules of Civil Procedure 12(c), 13, 14, 16, 26 to 37, and 56 shall not apply.

(2) *Prehearing Conference.* A Single Justice or the Court may hold a prehearing conference with the attorneys for the parties to consider such matters as may aid in the disposition of the action and may by written order limit the issues to be tried.

(3) *De Novo*. Proceedings before a Single Justice or the Court are subject to a *de novo* standard of review.

(4) *Burden and Standard of Proof*. In disciplinary matters before a Single Justice or the Court, the Board shall have the burden of establishing its case by a preponderance of the evidence.

(5) *Failure to Comply With an Award of the Fee Arbitration Commission*. When a matter involving an award of a panel of the Fee Arbitration Commission is referred to Bar Counsel under Rule 7(g) because of the attorney's failure to make an awarded refund to the petitioner within 30 days of receipt of the arbitration award, the Board, upon request of Bar Counsel and after affording the attorney an opportunity to respond in writing, may refer the matter to a Single Justice or the Court for appropriate disciplinary action.

(c) Complaints Against Bar Counsel, Attorney Commission and Board Members, or the Board Clerk. If a complaint is filed against Bar Counsel, the Board Clerk, or attorney Commission or Board members, the matter shall proceed in accordance with these Rules except that:

(1) If the respondent is Bar Counsel or the Board Clerk, the Chair of the Board shall appoint Special Counsel who shall exercise independent authority to investigate the complaint, and, if necessary assign an *ad hoc* panel to the case.

(2) If the respondent is a member of the Grievance Commission, Fee Arbitration Commission, or Professional Ethics Commission, the office of Bar Counsel shall investigate the complaint, and, if necessary, the Chair of the Board shall assign an *ad hoc* panel to the case.

(3) If the respondent is a member of the Board, the Chief Justice of the Court shall appoint Special Counsel who shall exercise independent authority to investigate the complaint, and if necessary, assign an *ad hoc* panel to the case.

(4) Special Counsel shall not receive compensation for services unless the Board has contracted in advance with that Special Counsel to receive compensation. Special Counsel may seek reimbursement from the Board for the payment of reasonable expenses and for investigative, administrative and legal support. The Board shall have discretion to determine the amount of financial, investigative, administrative, and legal assistance to be provided.

(d) Cameras and Audio Recordings. Cameras and audio recording devices are allowed in public disciplinary hearings, subject to the regulations and limitations contained in the Court's Cameras and Audio Recording in the Courts Administrative Order, and provided any person or organization intending to record or photograph such proceedings shall file a notice of intent to do so with the Board Clerk or the Clerk of the Court in advance of such hearing.

RULE 15. SERVICE AND NOTICE

Service of a petition, or of any other papers or notices required by these Rules, shall be sufficient if made by first class mail addressed to the attorney's office and/or residence address as provided by the attorney in the registration materials as required by Rule 4. Service is complete upon mailing, except as otherwise provided by these Rules. The Board may, in its discretion, use additional methods of service and notice (e.g., e-mail or telephone communication) upon learning that previous attempts at providing service or notice in the manner required by this rule have failed.

RULE 16. SUBPOENA POWER

(a) Investigatory Subpoenas. Before formal charges have been filed, Bar Counsel may compel by subpoena the attendance of witnesses or the respondent, and the production of pertinent books, papers, and documents, in accordance with Rule 45 of the Maine Rules of Civil Procedure.

(b) Subpoenas for Hearing. After formal charges are filed, Bar Counsel or respondent may, in accordance with Rule 45 of the Maine Rules of Civil Procedure, compel by subpoena the attendance of witnesses or the respondent and the production of pertinent books, papers, and documents at a hearing under these Rules.

(c) Enforcement of Subpoenas. The Court may, upon proper application, enforce the attendance and testimony of any witnesses or the respondent and the production of any documents subpoenaed under this rule.

(d) Quashing Subpoena. Any person to whom a subpoena has been issued under this rule may object to the subpoena, or may move to quash or modify the subpoena, as set forth in Rule 45 of the Maine Rules of Civil Procedure, and may appear through legal counsel for that purpose. Any

objection to a subpoena so issued, or any motion to quash or modify such a subpoena, shall be heard and determined by the chair of the Commission panel before which the matter is pending or by the court wherein enforcement of the subpoena is being sought.

(e) Witnesses and Fees. Subpoena and witness fees and mileage shall be the same as those provided for proceedings in the Court.

(f) Subpoena Pursuant to Law of Another Jurisdiction. Whenever a subpoena is sought in Maine pursuant to the law of another jurisdiction for use in lawyer discipline proceedings, and where the issuance of the subpoena has been duly approved under the law of the other jurisdiction, the Chair (or, in the Chair's absence, the Vice Chair) of the Commission, upon good cause shown, may issue a subpoena in accordance with Rule 45 of the Maine Rules of Civil Procedure.

RULE 17. DISCOVERY

(a) Public Proceedings before the Grievance Commission.

(1) *Scope.* Within 21 days following the respondent's answer to Bar Counsel's formal charges, Bar Counsel and the respondent shall (A) exchange the names and addresses of all persons having knowledge of relevant facts; (B) identify which persons are reasonably anticipated to be called as witnesses; and (C) exchange all documents Bar Counsel or respondent reasonably anticipate will be introduced at trial or hearing.

(2) *Resolution of Disputes.* The chair of the Grievance Commission panel shall resolve by order all disputes concerning discovery. All discovery orders are interlocutory and may not be appealed prior to the entry of the final order.

(3) *Additional Discovery.* Upon good cause shown, the chair of the Grievance Commission panel may order additional discovery.

(b) Disciplinary Proceedings before a Single Justice.

(1) *Scope.* Within 21 days after filing of an Answer to the Board's Information with the Executive Clerk of the Court, Bar Counsel and the respondent shall (A) exchange the names and addresses of all persons having

knowledge of relevant facts; (B) identify which persons are reasonably anticipated to be called as witnesses; and (C) exchange all documents Bar Counsel or respondent reasonably anticipates will be introduced at trial or hearing.

(2) *Exhibits and Transcripts.* In the event that a formal charges hearing was held before the Grievance Commission pursuant to Rule 13(e), Bar Counsel and the respondent shall make available to one another copies of all exhibits presented to the Grievance Commission hearing panel. The transcript from proceedings before the Grievance Commission hearing panel and any other matter within Bar Counsel's or the respondent's possession or control that is discoverable under Maine Rules of Civil Procedure 26, shall be made available to the other party at any reasonable time for inspection and duplication at that party's expense.

(3) *Resolution of Disputes.* A Single Justice shall resolve by order all disputes concerning discovery.

(4) *Additional Discovery.* Upon good cause shown, the Single Justice may order additional discovery pursuant to Maine Rules of Civil Procedure 26 to 37.

RULE 18. ACCESS TO DISCIPLINARY INFORMATION

(a) Confidentiality. Prior to service of Bar Counsel's disciplinary petition or an Information upon the respondent, the disciplinary proceeding is confidential, except that the pendency, subject matter, and status of an investigation by Bar Counsel or a Grievance Commission panel may be disclosed by Bar Counsel if

(1) respondent has waived confidentiality;

(2) the proceeding is based upon allegations that include the respondent's conviction of a crime;

(3) the proceeding is based upon allegations that have become generally known to the public; or

(4) there is a need to notify another person or entity, in order to protect the public, the administration of justice, or the legal profession.

(b) Public Information. All filings submitted to the Board Clerk or the Executive Clerk of the Court shall be available to the public after a determination that probable cause exists to believe that misconduct occurred and the filing and service of formal charges, unless the complainant or respondent obtains a protective order for specific testimony, documents, or records.

(c) Public Proceedings. Upon service of Bar Counsel's disciplinary petition or information upon the respondent, the proceeding is public except for:

- (1) deliberations of the Grievance Commission panel, or the Court; and
- (2) information with respect to which the Grievance Commission panel, or the Court has issued a protective order.

(d) Protective Orders. To protect the interests of a complainant, witness, third party, or respondent, the Grievance Commission panel, the Board, a Single Justice, or the Court may, upon motion and for good cause shown, issue a protective order prohibiting the disclosure of specific information and directing that the proceedings be conducted so as to implement the order.

(e) Disclosure of Nonpublic Information. The Court, a Single Justice, the Board, Grievance Commission panels, and Bar Counsel may not disclose any nonpublic information, other than that authorized for disclosure under Rule 18(a) and (b), unless pursuant to one of the following:

- (1) a written authorization from the respondent;
- (2) an order of a court having appropriate jurisdiction; or
- (3) other lawful authority to compel a disclosure.

(f) Release of Confidential Information to Authorized Entities. The provisions of this rule shall not be construed to deny access to relevant information to authorized entities, including members of the Grievance, Fee Arbitration or Professional Ethics Commissions, agencies investigating the qualifications of judicial candidates, jurisdictions investigating qualifications for admission to practice of law or considering reciprocal disciplinary action,

law enforcement agencies investigating qualifications for government employment, the ABA National Lawyer Regulatory Data Bank, the Committee on Judicial Responsibility and Disability, the Maine Assistance Program for Lawyers and Judges, or the Lawyers' Fund for Client Protection.

(g) Release to Law Enforcement and the Maine Assistance Program. The provisions of this section shall not be construed to prevent Bar Counsel or any other person from notifying (1) the appropriate law enforcement agency of complaints that accuse the respondent attorney of conduct in violation of a criminal law, or (2) the Director of the Maine Assistance Program for Lawyers and Judges, of the name of any lawyer whom Bar Counsel determines should be contacted concerning that program.

(h) Release to Investigators or Prosecutors. The provisions of this section shall not be construed to prohibit Bar Counsel's use of relevant information in the investigation or prosecution of complaints pursuant to Rules 2 or 13.

(i) File Retention. The Board shall retain all files. Files may be retained in a digital format.

(j) Duty of Officials and Employees of the Board. All officials and employees of the Board in a proceeding under these Rules shall conduct themselves so as to maintain the confidentiality mandated by this rule. However, any person, including but not limited to members of the Board, Grievance Commission and Board staff, may notify governmental officials of actual or threatened criminal conduct by any individual.

(k) Copying and Attestation Fees. Copying and attestation fees shall be the same as those for proceedings in the Court.

RULE 19. DISSEMINATION OF DISCIPLINARY INFORMATION

(a) Public Notice.

(1) The Board Clerk shall issue, electronically or otherwise, a news release to general media outlets throughout Maine to effect the notice of disciplinary disbarment, suspension, probation, or reinstatement decisions and orders.

(2) The Board Clerk shall publish hearing decisions and orders issued by the Court, the Single Justice, and the Grievance Commission on the Board's website.

(b) Notice to Discipline Authorities and Other Entities. The Board Clerk shall transmit, electronically or otherwise, notice of all public disciplinary and non-disciplinary sanctions, reinstatement decisions and orders, and surrenders of license to members of the Board and Grievance Commission, and to members of the following:

- (1) all State, Federal, and Tribal Courts in Maine;
- (2) the attorney disciplinary authority in any other jurisdiction known to the Board in which the attorney is licensed to practice;
- (3) the Maine State Bar Association;
- (4) the American Bar Association's National Lawyer Regulatory Data Bank; and
- (5) other such organization as determined by the Board.

RULE 20. FAILURE TO ANSWER/FAILURE TO APPEAR.

(a) Failure to Answer. Failure to answer charges filed shall constitute an admission by the respondent of the factual allegations and the misconduct alleged in the formal charges.

(b) Failure to Appear. If the respondent fails, without good cause, to appear at a disciplinary proceeding, the respondent shall be deemed to have admitted the factual and misconduct allegations that were to be the subject of such appearance, and/or to have waived objection to any motion or recommendations to be considered at such appearance. The Grievance Commission panel or Board may not, absent good cause, continue or delay proceedings due to the respondent's failure to appear.

RULE 21. SANCTIONS

(a) Grounds for Discipline. It shall be a ground for discipline for a lawyer to:

(1) violate or attempt to violate these Rules, the Maine Rules of Professional Conduct, or any other rules of this jurisdiction regarding professional conduct of lawyers;

(2) engage in conduct violating applicable rules of professional conduct of another jurisdiction;

(3) willfully violate a valid order of the Court, a Single Justice, the Board, or a Grievance Commission panel imposing discipline; willfully fail to comply with a subpoena validly issued under these Rules; or knowingly fail to respond to a lawful demand from a disciplinary authority, except that this rule does not require disclosure of information otherwise protected by applicable rules relating to confidentiality.

(b) Types of Sanctions. Misconduct shall be grounds for one or more of the following sanctions:

(1) *Admonition*, a public non-disciplinary sanction, may be imposed by the Court, a Single Justice, or a Grievance Commission panel after hearing pursuant to Rule 13(e) and (g). Admonitions are to be imposed only in cases of minor misconduct, when there is little or no injury to a client, the public, the legal system, or the profession, and when there is little likelihood of repetition by the lawyer.

(2) *Disbarment*, a public disciplinary sanction, may be imposed only by the Court or a Single Justice pursuant to Rule 13(f) and (g).

(3) *Dismissal with a warning*, a private non-disciplinary sanction, may be imposed by a Grievance Commission panel after a preliminary review pursuant to Rule 13(d). Dismissals with a warning are to be imposed only in cases of minor misconduct, when there is little or no injury to a client, the public, the legal system, or the profession, and when there is little likelihood of repetition by the lawyer.

(4) *Probation*, a public disciplinary sanction, may be imposed by a Single Justice, the Court, or a Grievance Commission panel pursuant to Rule 13(e) or (g). Probation durations shall be for a period not in excess of two years; provided, however, that probation may be renewed for an additional two-year period by consent or after a hearing to determine if there is a continued need for supervision. The conditions of probation shall be stated in writing. Probation shall be used only in cases where there is little likelihood that the respondent will harm the public during the period of rehabilitation and the conditions of probation can be adequately supervised. Probation shall be terminated upon the filing of an affidavit by respondent showing compliance with the conditions and an affidavit by the probation monitor stating that probation is no longer necessary and summarizing the basis for that statement. A Single Justice or the Court may impose other limitations on the nature or extent of the respondent's future practice.

(5) *Reprimand*, a public disciplinary sanction, may be imposed by a Single Justice, the Court, or a Grievance Commission panel pursuant to Rule 13(e) or (g).

(6) *Suspension*, a public disciplinary sanction, may be imposed only by a Single Justice or the Court pursuant to Rule 13(g). Suspension durations shall be for an appropriate fixed period of time not in excess of three years.

Sanctions issued under this rule shall be provided to tribunals in any subsequent proceedings in which the respondent has been found to have committed misconduct as evidence of prior misconduct bearing upon the issue of the proper sanction to be imposed in the subsequent proceeding.

(c) Factors to be Considered in Imposing Sanctions. In imposing a sanction after a finding of lawyer misconduct, the Single Justice, the Court, or the Grievance Commission panel shall consider the following factors, as enumerated in the ABA Standards for Imposing Lawyer Sanctions:

- (1) whether the lawyer has violated a duty owed to a client, to the public, to the legal system, or to the profession;
- (2) whether the lawyer acted intentionally, knowingly, or negligently;
- (3) the amount of the actual or potential injury caused by the lawyer's misconduct; and

(4) the existence of any aggravating or mitigating factors.

(d) Public Nature of Sanctions. Disposition of lawyer discipline shall be public in cases before a Single Justice, the Court, or a Grievance Commission panel. The Single Justice, the Court, or the Grievance Commission panel shall issue a written opinion setting forth its justification for imposing the sanction in that particular case.

RULE 22. REIMBURSEMENT OF COSTS

(a) Costs. Upon order of a Single Justice, the Court, or a Grievance Commission panel, or upon stipulation, the following costs may be imposed on the respondent:

(1) assessment of the costs of the proceedings, including, but not limited to, the costs of investigations, service of process, witness fees, and court reporter services, in any case where discipline is imposed; and

(2) disgorgement of all or part of the lawyer's or law firm's fee, and reimbursement to the Lawyers' Fund for Client Protection.

(b) Failure to Pay. Any lawyer who fails to pay costs and expenses when ordered to do so or who fails to comply with the terms of an agreed upon periodic payment plan may be served pursuant to Rule 15 with a notice of delinquency and imminent suspension from the practice of law. Any attorney who fails to comply with this notice within 30 days of service shall be administratively suspended by the Board. The Board shall provide notice of any administrative suspensions to the suspended attorney in accordance with the requirements of Rule 15. This notice shall not be effective until 30 days after the date of mailing. A lawyer suspended pursuant to this rule shall comply with the notice requirements in Rule 30. Upon receipt of all outstanding costs and expenses, the suspension may be cancelled by the Board.

(c) Waiver. In any case in which costs and expenses are sought pursuant to this rule, the assessment of any or all such costs and expenses may be waived by the Board or the Court when it serves the interest of justice to do so.

RULE 23. LAWYERS FOUND GUILTY OF A CRIME

(a) Notification. A Maine lawyer found guilty of any crime shall, within 30 days after the judgment, transmit a certified copy of the judgment of conviction to counsel for the lawyer disciplinary agency of every jurisdiction in which the lawyer is admitted to practice. The lawyer shall also submit a certified copy of the judgment of conviction with registration materials to the professional licensing agency of every jurisdiction in which the lawyer seeks admission to practice, following entry of the judgment.

(b) Determination of “Serious Crime.” Upon being advised that a lawyer subject to the disciplinary jurisdiction of the Court has been found guilty of any crime, Bar Counsel shall determine whether the crime constitutes a “serious crime” warranting immediate interim suspension. If the crime is a “serious crime,” Bar Counsel may prepare an order for interim suspension and forward it to the Court and the respondent with proof of the finding of guilt. Bar Counsel shall in addition file formal charges against the respondent predicated upon the finding of guilt. On or before the date established for the entry of the order of interim suspension, the lawyer may assert any jurisdictional deficiency that establishes that the suspension may not properly be ordered, such as that the crime did not constitute a “serious crime” or that the lawyer is not the individual found guilty. If the crime is not a “serious crime,” Bar Counsel shall process the matter in the same manner as any other information coming to the attention of the Board.

(c) Definition of “Serious Crime.” A “serious crime” is any felony or any lesser crime that reflects adversely on the lawyer’s honesty, trustworthiness, or fitness as a lawyer in other respects, or any crime a necessary element of which, as determined by the statutory or common law definition of the crime, involves interference with the administration of justice, false swearing, misrepresentation, fraud, deceit, bribery, extortion, misappropriation, theft, or an attempt, conspiracy or solicitation of another to commit a “serious crime.”

(d) Immediate Interim Suspension. The Court has exclusive power to place a lawyer on interim suspension.

(1) *Imposition.* The Court may place a lawyer on interim suspension immediately upon proof that the lawyer has been found guilty of a serious crime, regardless of the pendency of any appeal. In the interest of justice, the

Court may elect not to impose an interim suspension upon a showing of extraordinary circumstances, after affording Bar Counsel notice and an opportunity to be heard.

(2) *Termination.* The Court has exclusive power to terminate an interim suspension. In the interest of justice, the Court may terminate an interim suspension at any time upon a showing of extraordinary circumstances, after affording Bar Counsel notice and an opportunity to be heard.

(e) Conviction as Conclusive Evidence. For purposes of a hearing on formal charges filed as a result of a finding of guilt, a certified copy of a conviction constitutes conclusive evidence that the lawyer committed the crime, and the sole issue in any such hearing shall be the nature and extent of the discipline to be imposed.

(f) Automatic Reinstatement from Interim Suspension upon Reversal of Finding of Guilt or Conviction. If a lawyer suspended solely under the provisions of Rule 23(d) demonstrates that the underlying finding of guilt or conviction has been reversed or vacated, the order for interim suspension shall be vacated and the lawyer placed on active status. The vacating of the interim suspension will not automatically terminate any formal proceeding then pending against the lawyer, the disposition of which shall be determined by the Grievance Commission panel and the Board on the basis of the available evidence other than the finding of guilt or conviction.

(g) Notice to Clients and Others of Interim Suspension. An interim suspension under this rule shall constitute a suspension of the lawyer for the purpose of Rule 31.

RULE 24. INTERIM SUSPENSION

(a) Transmittal of Evidence. Upon receipt of evidence demonstrating that a lawyer subject to the disciplinary jurisdiction of the Court (1) has committed a violation of the Maine Rules of Professional Conduct or is incapacitated; and (2) by reason of that violation or incapacity threatens imminent injury to a client, to the public, or to the administration of justice, Bar Counsel, with the approval of the Board, shall

(1) transmit the evidence to the Court together with a petition and proposed order for interim suspension;

(2) certify to the Court in accordance with M.R. Civ. P. 65(a) that Bar Counsel has contemporaneously made a reasonable attempt to provide the lawyer with notice pursuant to Rule 15 that a proposed order for immediate interim suspension has been transmitted to the Court; and

In exigent circumstances, Bar Counsel may apply for the Interim Suspension on an *ex parte* basis.

(b) Immediate Interim Suspension. Upon examination of the evidence transmitted to the Court by Bar Counsel and of rebuttal evidence, if any, which the lawyer has transmitted to the Court prior to the Court's ruling, the Court may enter an order immediately suspending the lawyer, pending final disposition of a disciplinary proceeding predicated upon the conduct causing the harm, or may order such other action as it deems appropriate. In the event the order is entered, the Court may appoint a receiver pursuant to Rule 32 to protect clients' interests.

(c) Notice to Clients. A lawyer suspended pursuant to Rule 24(b) shall comply with the notice requirements in Rule 31.

(d) Motion for Dissolution of Interim Suspension. On two days' notice to Bar Counsel, a lawyer suspended pursuant to Rule 24(b) may appear and move for dissolution or modification of the order of suspension, and in that event the motion shall be heard and determined as expeditiously as the ends of justice require.

RULE 25. DISCIPLINE BY CONSENT AND SURRENDER OF LICENSE

(a) Approval of Tendered Admission. A lawyer against whom formal charges have been filed may tender to Bar Counsel a conditional admission to the petition or to a particular count thereof in exchange for a stated sanction. The Grievance Commission panel may approve or reject the tendered conditional admission, subject to final approval or rejection by a Single Justice or the Court if the stated form of discipline includes disbarment, suspension, or surrender. If a Single Justice, the Court, or the Grievance Commission panel reject the sanction, the admission and any affidavit(s)

submitted pursuant to Rule 25(b) and (d) cannot be used against the respondent in any subsequent proceedings.

(b) Affidavit of Consent. A lawyer who consents to a stated sanction shall present to the Grievance Commission panel an affidavit stating that the lawyer consents to the sanction and that

(1) the consent is freely and voluntarily rendered, the lawyer is not being subjected to coercion or duress, and the lawyer is fully aware of the implications of submitting the consent;

(2) the lawyer is aware that there is presently pending an investigation into, or proceeding involving, allegations that there exist grounds for sanction, the nature of which shall be specifically set forth;

(3) the lawyer acknowledges that the material facts so alleged are true or could be proven; and

(4) the lawyer acknowledges that sufficient evidence exists to support a finding of misconduct and the imposition of the stated sanction.

(c) Order of Discipline. If the sanction by consent is an admonition, probation, or reprimand, the Board Clerk shall enter the order. If the sanction is disbarment or suspension, review for approval of the sanction may be sought as permitted by these Rules. In all other instances in which any proposed sanction has been approved, the Board Clerk shall file the affidavit with the Court, and upon approval the Court shall enter the order sanctioning the lawyer on consent.

(d) Surrender of License.

(1) An attorney who is the subject of an investigation under these Rules may submit to the Board a letter of surrender, supported by an affidavit showing that

(A) the surrender is freely and voluntarily rendered, the attorney is not being subjected to coercion or duress, and the attorney is fully aware of the implications of surrender;

(B) the attorney is aware that there is presently pending an investigation into allegations of misconduct, the nature of which allegations the attorney shall specifically set forth; and

(C) the attorney acknowledges that the material facts, or specified material portions of them, underlying the allegations are true or could be proven.

(2) Upon receipt of such surrender, the Board shall file it, together with its recommendation thereon, with the Court, which after hearing shall enter such order as it deems appropriate.

(3) Any order accepting such surrender shall be a matter of public record unless otherwise ordered by the Court; but the supporting affidavit required under the provisions of subsection (1) shall be impounded, whether or not such surrender is accepted, and shall not be made available for use in any other proceeding unless otherwise ordered by the Court.

(4) An attorney who has surrendered his or her license under this rule may be reinstated only upon petition filed in the Court after at least 5 years from the effective date of the surrender, unless otherwise ordered by the Court.

RULE 26. RECIPROCAL DISCIPLINE

(a) Notification. Upon being disciplined or the equivalent in another jurisdiction, a lawyer admitted to practice in Maine shall promptly inform Bar Counsel of the action.

(b) Certified Order. Upon notification from any source that a lawyer within the jurisdiction of the Board has been disciplined or its equivalent in another jurisdiction, Bar Counsel shall obtain a certified copy of the order and file it with the Executive Clerk of the Law Court.

(c) Notice Served Upon Respondent. Upon receipt of a certified copy of an order demonstrating that a lawyer admitted to practice in Maine has been disciplined or its equivalent in another jurisdiction, the Chief Justice of the Court shall designate a Single Justice forthwith and issue a notice directed to the lawyer and to Bar Counsel containing

(1) a copy of the order from the other jurisdiction; and

(2) an order directing that the lawyer or Bar Counsel inform the Court, within 30 days from service of the notice, of any claim by the lawyer or Bar Counsel predicated upon the grounds set forth in Rule 26(e), that the imposition of a substantially identical order in Maine would be unwarranted and the reasons for that claim.

(d) Effect of Stay in Other Jurisdiction. In the event the order in the other jurisdiction has been stayed there, any reciprocal order in Maine shall be deferred until the stay expires.

(e) Discipline to be Imposed. Upon the expiration of 30 days from service of the notice pursuant to the provisions of Rule 26(c), the Court shall impose a substantially identical order unless Bar Counsel or the lawyer demonstrates, or the Court finds that it clearly appears upon the face of the record from which the order is predicated, that

(1) the procedure was so lacking in notice or opportunity to be heard as to constitute a deprivation of due process; or

(2) there was such infirmity of proof establishing the misconduct as to give rise to the clear conviction that the Court could not, consistent with its duty, accept as final the conclusion on that subject; or

(3) the discipline imposed would result in grave injustice or be offensive to Maine public policy; or

(4) the reason for the original order no longer exists.

If the Court determines that any of those elements exists, it may enter such other order as it deems appropriate. The burden is on the party seeking different discipline in Maine to demonstrate that the imposition of the same discipline is not appropriate.

(f) Conclusiveness of Adjudication in Other Jurisdictions. In all other aspects, a final adjudication in another jurisdiction that a lawyer, whether or not admitted in that jurisdiction, has been guilty of misconduct or determined to be incapacitated shall establish conclusively the misconduct or the incapacity for purposes of a disciplinary proceeding in Maine.

RULE 27. PROCEEDINGS IN WHICH A LAWYER IS DETERMINED INCAPACITATED

(a) Incapacity. In any instance where an attorney has been determined to be incapacitated, including any proceeding in which (1) the attorney has been judicially declared incompetent; (2) the attorney has been acquitted of a crime by reason of mental illness; (3) the attorney has been committed to a mental health hospital after a judicial hearing; (4) the attorney has admitted herself or himself to a mental health hospital for acute care; (5) the attorney has admitted herself or himself to a substance abuse facility for extended treatment and no proxy has been appointed to protect client interests; or (6) the attorney has been placed by court order under guardianship or conservatorship, the Grievance Commission, on reference from any court or on its own motion, may, in its discretion, give the attorney the opportunity to surrender or to agree to a suspension. A Single Justice, upon Bar Counsel's petition or upon its own motion, may enter an order to show cause why the attorney should not be suspended from the practice of law. A copy of such order shall be served upon the attorney, the attorney's personal representative, if any, and the director of the mental health hospital to which the attorney is committed, if any, in such manner as the Single Justice may direct.

(b) Inability to Properly Defend. If during a disciplinary proceeding the respondent claims to be incapacitated, and the respondent's incapacity makes it impossible to present an adequate defense, the Single Justice may immediately suspend the lawyer pending determination of the incapacity.

(1) If the Single Justice determines the claim of inability to defend is valid, the disciplinary proceeding shall be deferred and the respondent retained on interim suspension until the Court subsequently considers a petition to terminate the suspension. If the Single Justice determines the petition shall be granted, the Single Justice shall also determine the disposition of the interrupted disciplinary proceedings.

(2) If the Single Justice determines the claim of incapacity to defend to be invalid, the disciplinary proceeding shall resume and the respondent may immediately be placed on interim suspension pending the final disposition of the matter.

(c) Proceedings Where an Attorney Is Alleged to Be Incapacitated.

(1) Bar Counsel may, after investigation, seek a determination by a Grievance Commission panel, after hearing, that an attorney is incapacitated from continuing practice. Upon so finding, the Grievance Commission panel shall promptly petition the Court to determine whether the attorney is so incapacitated. The Chief Justice shall designate a Single Justice who, after due notice and hearing, shall issue any orders necessary or appropriate to protect the public interest, including an order suspending the attorney.

(2) The Chair of the Board, or in the absence of the Chair, the Vice Chair, upon an application by Bar Counsel alleging such incapacity of an attorney together with an allegation that the continued practice of such attorney poses a substantial threat of irreparable harm to the public, may direct that such petition seeking the suspension of the attorney be filed directly with the Court. The Chief Justice shall designate a Single Justice who shall order such action as it deems appropriate, including an expedited hearing. The Single Justice may enter an interim order suspending the attorney pending such expedited hearing. With notice to Bar Counsel, the attorney may move for dissolution or modification of the interim order of suspension.

(d) Reinstatement.

(1) *Generally.* No respondent suspended hereunder may resume active status except by order of the Court.

(2) *Petition.* Any respondent suspended hereunder shall be entitled to petition for transfer to active status once a year, or at whatever shorter intervals the Court may direct in the order of suspension or any modifications thereof.

(3) *Examination.* Upon the filing of a petition for transfer to active status, the Court may take or direct whatever action it deems necessary or proper, including a direction for an examination of the respondent by qualified medical experts designated by the Court. In its discretion, the Court may direct that the expense of the examination be paid by the respondent.

(4) *Waiver of Doctor-Patient Privilege.* With the filing of a petition for reinstatement to active status, the respondent shall disclose the name of each psychiatrist, psychologist (or other mental health professional), physician, and

hospital or other institution by whom or in which the respondent has been examined or treated since the suspension. The respondent shall furnish to the Court written consent to the release of information and records relating to the incapacity if requested by the Court or court-appointed medical experts.

(5) *Learning in Law; Bar Examination.* The Court may also direct that the respondent establish proof of competence and learning in law.

(A) The Court may, before granting the petition, require that by a specific date the petitioner take and pass the modified bar examination (or its then equivalent) as administered by the Maine Board of Bar Examiners.

(B) The Court may require proof that the petitioner has met the CLE requirements of Rule 5 for each year the attorney has been inactive, withdrawn or prohibited from the practice of law in Maine, but need not complete more than 24 credit hours of approved continuing legal education for that entire period of absence from practice, provided that: (i) no more than one half of the credits are earned through self-study; (ii) at least two credit hours are primarily concerned with the issues of ethics or professional responsibility; and (iii) at least two credit hours are primarily concerned with issues of recognition and avoidance of harassment and discriminatory communication or conduct related to the practice of law.

(6) *Granting Petition for Transfer to Active Status.* The Court shall grant the petition for transfer to active status upon a showing by clear and convincing evidence that the incapacity has been removed.

(7) *Judicial Declaration of Competence.* If a respondent suspended on the basis of a determination of incapacity has been judicially declared to be competent, the Court may dispense with further evidence that the lawyer's incapacity has been removed and may immediately direct the lawyer's reinstatement to active status upon terms as are deemed proper and advisable.

RULE 28. REINSTATEMENT FOLLOWING A DISCIPLINARY SUSPENSION OF SIX MONTHS OR LESS

A lawyer who has been suspended for six months or less pursuant to disciplinary proceedings may be reinstated at the end of the period of

suspension by filing with the Court and serving upon the Board an affidavit stating that he or she has fully complied with the requirements of the suspension order and has paid any required fees and costs.

RULE 29. REINSTATEMENT AFTER DISCIPLINARY SUSPENSION FOR MORE THAN SIX MONTHS

(a) Generally. A lawyer suspended for more than six months or a disbarred lawyer may be reinstated only upon order of the Court. No suspended lawyer may petition for reinstatement until six months before the period of suspension is to expire. No disbarred lawyer may petition for reinstatement until five years after the effective date of disbarment unless otherwise provided by a Single Justice or the Court in its order of disbarment. A lawyer who has been placed on interim suspension and is then disbarred for the same misconduct that was the ground for the interim suspension may petition for reinstatement at the expiration of five years from the time of the effective date of interim suspension unless otherwise provided by a Single Justice or the Court in its order of disbarment.

(b) Petition. A petition for reinstatement must be under oath or affirmation under penalty of perjury and shall specify with particularity the manner in which the petitioner meets each of the criteria specified in Rule 29(e) or, if not, why there is good and sufficient reason for reinstatement.

(c) Service of Petition. The petition shall be filed with the Executive Clerk of the Court and also with Bar Counsel accompanied by a filing fee made payable to the Board of Overseers of the Bar and a completed Board Reinstatement Questionnaire.

(d) Publication of Notice of Petition. Upon a petitioner's filing of a petition for reinstatement, the Board Clerk, shall publish a notice of the petition on the Board's website. The notice shall inform members of the bar and the public about the application for reinstatement, and shall request that any individuals file notice of their opposition or support of the petition with the Board within 60 days. In addition, as appropriate, Bar Counsel may notify the complainant(s) in the disciplinary proceeding that led to the petitioner's suspension or disbarment that the petitioner is applying for reinstatement, and shall inform each complainant that he or she has 60 days to file written opposition to support the petition.

(e) Criteria for Reinstatement. A petitioner may be reinstated only if the petitioner meets each of the following criteria:

(1) the petitioner has fully complied with the terms and conditions of all prior disciplinary orders issued in Maine or in any other jurisdiction except to the extent they are abated under Rule 30, unless such suspension, disbarment, or discipline is solely the result of reciprocal action resulting from disciplinary action taken by Maine authorities;

(2) the petitioner has not engaged or attempted to engage in the unauthorized practice of law during the period of suspension or disbarment;

(3) if the petitioner was suffering under a physical or mental disability or infirmity at the time of suspension or disbarment, including alcohol or other drug abuse, the disability or infirmity has been removed. Where alcohol or other drug abuse was a causative factor in the petitioner's misconduct, the petitioner shall not be reinstated unless:

(A) the petitioner has pursued appropriate rehabilitative treatment;

(B) the petitioner has abstained from the use of alcohol or other drugs for at least one year; and

(C) the petitioner is likely to continue to abstain from alcohol or other drugs;

(4) the petitioner recognizes the wrongfulness and seriousness of the misconduct for which the petitioner was suspended or disbarred;

(5) the petitioner has not engaged in any other professional misconduct since suspension or disbarment;

(6) notwithstanding the conduct for which the petitioner was disciplined, the petitioner has the requisite honesty and integrity to practice law;

(7) the petitioner has met the CLE requirements of Rule 5 for each year the attorney has been suspended or disbarred, but need not complete more than 24 hours of approved credit hours for that entire period of absence from practice, provided that (i) no more than one half of the credit hours are earned

through self-study; (ii) at least two credit hours are primarily concerned with the issues of ethics or professionalism; and (iii) at least two credit hours are primarily concerned with issues of recognition and avoidance of harassment and discriminatory communication or conduct related to the practice of law; and

(8) In addition to all of the requirements in this provision, the attorney shall comply with Rule 4(a) and (b), and remit to the Board an arrearage registration payment equal to the total registration fee that the attorney would have been obligated to pay the Board under Rule 4(a) and (b) had the attorney remained actively registered to practice in Maine.

(f) Review of Petition. Within 60 days after receiving a petition for reinstatement, Bar Counsel shall either

(1) advise the petitioner, the Grievance Commission Chair, and the Court that Bar Counsel will stipulate to the petitioner's reinstatement, subject to the Court's approval; or

(2) advise the petitioner, the Grievance Commission Chair, and the Court that Bar Counsel opposes reinstatement and requests a hearing.

(g) Hearing; Report. Upon receipt of Bar Counsel's request for a hearing, the Board Clerk shall promptly refer the matter to a Grievance Commission panel. Within 90 days of the request, the Grievance Commission panel shall conduct a hearing at which the petitioner shall have the burden of demonstrating by clear and convincing evidence that he or she has met each of the criteria in Rule 29(e) or, if not, that there is good and sufficient reason why the petitioner should nevertheless be reinstated. The Grievance Commission panel shall file a report with the Board Clerk containing its findings and recommendations. The Board Clerk shall file the report with the Executive Clerk of the Law Court and transmit a copy thereof to Bar Counsel and the petitioner.

(h) Decision as to Reinstatement. The Court shall review the report filed by the Grievance Commission panel or any stipulation agreed to by the petitioner and Bar Counsel. If the petitioner or Bar Counsel objects to the panel's report, either party may file a pleading with the Court within 21 days stating the basis for its objection. The Court shall, with or without hearing issue its decision. (*See* Rule 14(b)(1)-(3)).

If the Court reinstates the petitioner, the Court shall issue a written opinion setting forth the grounds for its decision. If the Court denies reinstatement, the Court shall issue a written opinion setting forth the ground for its decision and shall identify the period after which the petitioner may reapply for reinstatement. Unless ordered otherwise by the Court, no petitioner may reapply for reinstatement within one year following an adverse judgment upon a petition for reinstatement.

(i) Conditions of Reinstatement. The Court may impose conditions on a petitioner's reinstatement. The conditions shall be imposed in cases where the petitioner has met the burden of proof justifying reinstatement, but the Court reasonably believes that further precautions should be taken to protect the public. The Court may impose any conditions that are reasonably related to the grounds for the petitioner's original suspension or disbarment, or to evidence presented at the hearing regarding the petitioner's failure to meet the criteria for reinstatement. Passing the bar examination and the character and fitness examination shall be conditions to reinstatement following disbarment. The conditions may include, but are not limited to any of the following: (1) limitation upon practice to one area of law or through association with an experienced supervising lawyer; (2) participation in continuing legal education courses; (3) monitoring of the petitioner's practice for compliance with trust account rules, account procedures, or office management procedures; (4) abstention from the use of drugs or alcohol; (5) active participation in an alcohol or drug rehabilitation program; (6) active participation in mental health treatment; or (7) monitoring of the petitioner's compliance with these conditions and any other orders. Should a monitor determine that the reinstated lawyer's compliance with any condition of the reinstatement is unsatisfactory and that there exists a potential for harm to the public, the monitoring lawyer shall notify the Court and, where necessary to protect the public, the reinstated lawyer may be suspended from practice under Rule 21(b).

(j) Reciprocal Reinstatement. Where a Single Justice or the Court has imposed a suspension or disbarment solely on the basis of imposition of discipline in another jurisdiction, and where the petitioner gives notice to the Court that he or she has been reinstated or readmitted in the other jurisdiction, the Court shall determine whether the petitioner should be reinstated. Unless Bar Counsel shows good cause why the petitioner should not be reinstated, the

Court shall reinstate a petitioner who has been reinstated or readmitted in the jurisdiction where the misconduct occurred.

RULE 30. ABATEMENT OR MODIFICATION OF CONDITIONS OF DISCIPLINE OR REINSTATEMENT

Where a Single Justice has imposed conditions in an order of discipline or in an order of reinstatement, the lawyer may request of the Single Justice an order of abatement discharging the lawyer from the obligation to comply with the conditions, or an order modifying the conditions. The lawyer may so request either prior to or as part of the lawyer's petition for reinstatement. The Single Justice may grant the request if the lawyer shows by clear and convincing evidence that the lawyer has made a timely, good faith effort to meet the condition(s).

RULE 31. NOTICE TO CLIENTS, ADVERSE PARTIES, AND OTHER COUNSEL

(a) Recipients of Notice; Contents. Unless otherwise ordered by a Single Justice, within 30 days after the date of the order imposing discipline, a respondent who has been disbarred, placed on interim suspension, or suspended shall so notify in writing all clients represented in pending matters; any co-counsel in pending matters; and any opposing counsel in pending matters, or in the absence of opposing counsel, the adverse parties, of the order of the Single Justice and that the lawyer is therefore disqualified to act as lawyer after the effective date of the order. RULE 32. RECEIVER

(a) Appointment of Receiver. Whenever an attorney is alleged to be incapacitated, or is missing, deceased, disbarred, or subject to an administrative or disciplinary suspension, the Court may appoint a Receiver to manage or conclude the attorney's law practice. The Receiver, who shall be a licensed Maine attorney in good standing, shall be appointed by the Court upon

the recommendation of Bar Counsel. Bar Counsel shall consider and may recommend the proxy recommendation on the attorney's annual registration statement under Rule 4(b). A Receiver shall be authorized by Court order to take some or all of the following actions:

(1) secure the professional files, client data, law office mail, office and client property in an appropriate location and notify the board of that location;

(2) create an inventory of the open and closed client files;

(3) give priority attention to client matters that are identified as open, active, and apparently time sensitive, including notifying clients of the need to seek new counsel or to represent themselves. If necessary, the Receiver may seek protection for certain clients by giving notice to tribunals or others concerning the circumstances giving rise to the Receivership, without entering an appearance for the client;

(4) notify all clients that the law practice is being managed by the Receiver or concluding and invite clients to retrieve their client files. Such notice may be by letter, phone, email, newspaper advertisement in a newspaper in general circulation in the county where the law practice was located and/or such other method as will effect notice. Notice to clients with open matters should be made by as direct means as possible;

(5) if necessary, provide notice of appointment to all Courts and relevant state and county agencies;

(6) prudently utilize the operating accounts to effect the management or conclusion of the practice, including the temporary retention of office staff or hiring other personnel as necessary and appropriate;

(7) if necessary, establish a bank account in the Receiver's name in order to protect assets to manage or conclude the practice and/or protect the clients' interests;

(8) prudently utilize the operating accounts and client trust accounts in the appropriate distribution of client funds and property held in trust;

(9) review and audit any IOLTA accounts;

(10) submit to the Court a record of hours worked and disbursements made to allow in some cases for payment of legal fees and expenses;

(11) receive payment of legal fees under the terms negotiated with the Board and approved by the Court;

(12) continue to act as Receiver until discharged by the Court in accordance with Rule 32(c); and

(13) take any and all other appropriate action consistent with the discretion vested in the Receiver by the Court and/or as specifically ordered by the Court.

(b) Receiver's Discharge Plan. Prior to petition for discharge, the Receiver shall formulate for the approval of the Court a plan for the custody, care, appropriate release and ultimate destruction of client files. The plan will identify a file caretaker (who may be the Receiver) who will preserve client confidentiality and maintain and appropriately release the client files to clients subsequent to the discharge of the Receiver. The plan must provide for confidential destruction of all client files and data pursuant to M.R. Prof. Conduct 1.15(f). The destruction date may be earlier if so ordered by the Court. The plan must include the requirement that the file caretaker provide written notice to the Board of Overseers confirming the confidential destruction of files and data immediately after it has occurred.

(c) Term of Receiver. The Receiver shall serve until discharged by the Court. The Receiver may petition the Court for discharge from appointment upon completion of duties or sooner for other good cause. With the petition for discharge the Receiver shall file a report of services rendered. With the approval of the Court, the report or any part thereof may be filed under seal. Without divulging confidential information, the report should include, if applicable:

(1) an inventory of files and the status of each file as released or retained;

(2) the plan for the security and handling of the retained client files;

(3) an accounting of the law practice operating accounts during the period of Receivership;

(4) an accounting of the law practice client trust fund accounts during the period of Receivership; and

(5) any other information deemed by the Receiver or the Court to be necessary and appropriate.

(d) Client Rights. Any Receiver so appointed may not disclose any information contained in any file listed in such inventory without the consent of the client to whom such file relates except as may be necessary to carry out a court order, including any order under this rule. Any Receiver may be engaged by any former client of the deceased, missing, or incapacitated attorney, provided that the Receiver informs any such client in writing that the client is free to choose to employ any attorney, and that the Court's appointment order under section (2) of this rule does not mandate or recommend employment by the client of the Receiver. The Receiver is subject to the Maine Rules of Professional Conduct. However, the client's retention of the Receiver as successor counsel is not a *per se* conflict of interest solely by reason of the Receiver's appointment under this rule.

(e) Liability. The Receiver shall be protected from liability for professional services rendered pursuant to the Order appointing such a Receiver.

(f) Pleadings. The Receiver shall provide copies of all pleadings under this Rule to the Board.

RULE 33. TRANSITION

These Rules shall become effective on July 1, 2015 (the "effective date"). As of the effective date, these Rules shall govern all new and pending complaints and proceedings before the Fee Arbitration Commission, Professional Ethics Commission, and Grievance Commission. Any attorney seeking reinstatement, including those suspended prior to the effective date, must comply with the requirements of these Rules.
