Dear Clerk of the Law Court,

Please add my voice in support of an amendment to the RPC to make explicit that sexual harassment and/or illegal discrimination are unprofessional conduct. It would send precisely the wrong message to the public, our clients, and the members of the Bar not to adopt this change. While a confessed harasser might now be President, this aberration will pass. Now is precisely the moment for the Maine Bar to place itself on the right side of history.

Sincerely,  
A.J. Greif
